SOURCE: 59 FR 35185, July 8, 1994, unless otherwise noted.

GENERAL PROVISIONS

§ 710.1 Purpose.

(a) This subpart establishes the criteria, procedures, and methods for resolving questions concerning the eligibility of individuals who are employed by, or applicants for employment with, Department of Energy (DOE) contractors, agents, and access permittees, individuals who are DOE employees or applicants for DOE employment, and other persons designated by the Secretary of Energy, for access to Re-

stricted Data or special nuclear material, pursuant to the Atomic Energy Act of 1954, as amended, or for access to national security information.

(b) This subpart is published to implement Executive Order 12356, 47 FR 14874 (April 2, 1982), Executive Order 10865, 25 FR 1583 (February 24, 1960), and Executive Order 10450, 18 FR 2489 (April 27, 1954), all as amended.

§ 710.2 Scope.

The criteria and procedures outlined in this subpart shall be used in those cases in which there are questions of eligibility for DOE access authorization involving:

(a) Employees (including consultants) of, and applicants for employment with, contractors and agents of the DOE;

(b) Access permittees of the DOE and their employees (including consultants) and applicants for employment;

(c) Employees (including consultants) of, and applicants for employment with, the DOE; and

(d) Other persons designated by the Secretary of Energy.

§ 710.3 Reference.

The pertinent sections of the Atomic Energy Act of 1954, as amended, relative to this regulation are set forth in Appendix A to this subpart.

§ 710.4 Policy.

(a) It is the policy of DOE to provide for the security of its programs in a manner consistent with traditional American concepts of justice and fairness. To this end, the Secretary has established criteria for determining eligibility for access authorization and procedures that will afford those individuals described in § 710.2 the opportunity for administrative review of questions concerning their eligibility for access authorization.

(b) It is also the policy of DOE that none of the procedures established by DOE for determining eligibility for access authorization shall be used for an improper purpose, including any attempt to coerce, restrain, threaten, intimidate, or retaliate against individuals for exercising their rights under

any statute, regulation or DOE directive. Any DOE officer or employee violating, or causing the violation of this policy, shall be subject to appropriate disciplinary action.

(c) In instances where the individual has been convicted of a crime punishable by imprisonment of six (6) months or longer, or the individual is currently awaiting or serving a form of preprosecution probation, or suspended or deferred sentencing, court ordered probation, or parole in conjunction with an arrest or criminal charges initiated against the individual for a crime that is punishable by imprisonment of six (6) months or longer, the DOE may suspend processing an application for access authorization until such time as the criminal prosecution, suspended sentence, deferred sentencing, probation, or parole has been completed.

(d) DOE may suspend processing an application for access authorization if sufficient information about the individual's background cannot be obtained to meet the investigative scope and extent requirements for the access authorization requested.

(e) DOE may suspend processing an application for access authorization until such time as a question regarding an individual's national allegiance is resolved. For example, if an individual is exercising rights of citizenship conferred by a country other than the United States, DOE will be concerned with whether granting access authorization to that individual constitutes an unacceptable national security risk.

(f) DOE may suspend processing an application for access authorization whenever an individual fails to fulfill the responsibilities described in § 710.6.
