

§ 710.9 Action on derogatory information.

(a) When the reports of investigation of an individual or other reliable information reasonably tend to establish the validity and significance of one or more of the items in the criteria, or of other reliable information or facts which are derogatory, although outside the scope of the stated categories, such information shall be regarded as substantially derogatory and create a question as to the individual's eligibility for access authorization. The Local Director of Security will authorize the conduct of an interview with the individual, or request other appropriate actions, and, on the basis of such interview and/or actions, may authorize the granting or continuation of access authorization. If the question as to the individual's eligibility is not resolved through interview, and/or other actions, which may include a DOE-sponsored mental evaluation, the Local Director of Security will submit the matter to the Manager. If the Manager agrees that unresolved derogatory information is present, and that appropriate attempts to resolve such derogatory information have failed, the Manager shall forward the individual's case to the Director, Office of Safeguards and Security, with a request for authority to conduct an administrative review proceeding. If the Manager believes that the derogatory information has been favorably resolved, the Manager shall direct that the individual be granted access authorization. A decision in the matter shall be rendered by the Manager within 10 calendar days after receipt. Following the decision of the Manager, the Director, Office of Safeguards and Security, may authorize:

(1) The granting of access authorization,

(2) The institution of administrative review procedures set forth in §§ 710.20 through 710.31, or

(3) Such other action as the Director deems appropriate.

(b) The Director, Office of Safeguards and Security, must authorize one of these options within 30 calendar days of the receipt of the case from the Manager, unless an extension is granted by the Director, Office of Security Affairs.

§ 710.10 Suspension of access authorization.

(a) In those cases where information is received which raises a question concerning the continued eligibility of an individual for DOE access authorization, the Local Director of Security may authorize action(s) to resolve the question pursuant to § 710.9. Such action(s) shall be taken on an expedited basis. If the question as to the individual's continued eligibility for access authorization is not resolved in favor of the individual, the Local Director of Security will submit the matter to the Manager with a recommendation that the individual's DOE access authorization be suspended pending the final determination resulting from the operation of the procedures provided in this subpart.

(b) Within two working days of receipt of the recommendation from the Local Director of Security to suspend the individual's DOE access authorization, the Manager shall review the matter and authorize continuation or suspension of access authorization. The access authorization of an individual shall not be suspended except by the direction of the Manager. This authority to suspend access authorization may not be delegated but may be exercised by a person who has been designated in writing as Acting Manager.

(c) Upon suspension of an individual's access authorization pursuant to paragraph (b) of this section, the individual, the individual's employer, any other DOE Operations Office having an access authorization interest in the individual, and, if known, any other government agency where the individual holds an access authorization, security clearance, or access approval, or to which the DOE has certified the individual's DOE access authorization, shall be notified immediately. The Central Personnel Clearance Index shall also be updated. Notification to the individual shall be made in writing and shall reflect, in general terms, the reason(s) why the suspension has been effected. Pending final determination of the individual's eligibility for access authorization from the operation of the procedures provided in this subpart,
