§ 1805.101 Summary.

Under the Community Development Financial Institutions Program, the Fund will provide financial and technical assistance to Applicants selected by the Fund in order to enhance their ability to make loans and investments and provide services. An Awardee must serve an Investment Area(s), Targeted Population(s), or both. The Fund will select Awardees to receive financial and technical assistance through a competitive application process. Each Awardee will enter into an Assistance Agreement which will require it to achieve performance goals negotiated between the Fund and the Awardee and abide by other terms and conditions pertinent to any assistance received under this part.
