

APPENDIX A—MODEL DISCLOSURE
CLAUSES AND FORMS

1. *Review of forms.* The Board will not review or approve disclosure forms or statements for financial institutions. However, the Board has issued model clauses for institutions to use in designing their disclosures. If an institution uses these clauses accurately to reflect its service, the institution is protected from liability for failure to make disclosures in proper form.

2. *Use of the forms.* The appendix contains model disclosure clauses for optional use by financial institutions to facilitate compliance with the disclosure requirements of §§ 205.5(b)(2) and (b)(3), 205.6(a), 205.7, 205.8(b), 205.14(b)(1)(ii) and 205.15(d)(7) and (d)(2). The use of appropriate clauses in making disclosures will protect a financial institution from liability under sections 915 and 916 of the act provided the clauses accurately reflect the institution's EFT services.

3. *Altering the clauses.* Financial institutions may use clauses of their own design in conjunction with the Board's model clauses. The inapplicable words or portions of phrases in parentheses should be deleted. The catchlines are not part of the clauses and need not be used. Financial institutions may make alterations, substitutions, or additions in the clauses to reflect the services offered, such as technical changes (including the substitution of a trade name for the word "card," deletion of inapplicable services, or substitution of lesser liability limits). Several of the model clauses include references to a telephone number and address. Where two or more of these clauses are used in a disclosure, the telephone number and address may be referenced and need not be repeated.
