

is less than 50 percent of the host state loan-to-deposit ratio, the Board:

(i) May order that a bank's covered interstate branch or branches be closed unless the bank provides reasonable assurances to the satisfaction of the Board, after an opportunity for public comment, that the bank has an acceptable plan under which the bank will reasonably help to meet the credit needs of the communities served by the bank in the host state; and

(ii) Will not permit the bank to open a new branch in the host state that would be considered to be a covered interstate branch unless the bank provides reasonable assurances to the satisfaction of the Board, after an opportunity for public comment, that the bank will reasonably help to meet the credit needs of the community that the new branch will serve.

(2) *Notice prior to closure of a covered interstate branch.* Before exercising the Board's authority to order the bank to close a covered interstate branch, the Board will issue to the bank a notice of the Board's intent to order the closure and will schedule a hearing within 60 days of issuing the notice.

(3) *Hearing.* The Board will conduct a hearing scheduled under paragraph (e)(2) of this section in accordance with the provisions of 12 U.S.C. 1818(h) and 12 CFR part 263.

### Subpart B—Prompt Corrective Action

SOURCE: 57 FR 44885, Sept. 29, 1992, unless otherwise noted.

#### § 208.30 Authority, purpose, scope, other supervisory authority, and disclosure of capital categories.

(a) *Authority.* This subpart is issued by the Board of Governors of the Federal Reserve System (Board) pursuant to section 38 (section 38) of the Federal Deposit Insurance Act (FDI Act) as added by section 131 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (Pub. L. 102-242, 105 Stat. 2236 (1991)) (12 U.S.C. 1831o.).

(b) *Purpose.* Section 38 of the FDI Act establishes a framework of supervisory actions for insured depository institu-

tions that are not adequately capitalized. The principal purpose of this subpart is to define, for state member banks, the capital measures and capital levels that are used for determining the supervisory actions authorized under section 38 of the FDI Act. This subpart also establishes procedures for submission and review of capital restoration plans and for issuance and review of directives and orders pursuant to section 38.

(c) *Scope.* This subpart implements the provisions of section 38 of the FDI Act as they apply to state member banks. Certain of these provisions also apply to officers, directors and employees of state member banks. Other provisions apply to any company that controls a state member bank and to the affiliates of a state member bank.

(d) *Other supervisory authority.* Neither section 38 nor this subpart in any way limits the authority of the Board under any other provision of law to take supervisory actions to address unsafe or unsound practices, deficient capital levels, violations of law, unsafe or unsound conditions, or other practices. Action under section 38 of the FDI Act and this subpart may be taken independently of, in conjunction with, or in addition to any other enforcement action available to the Board, including issuance of cease and desist orders, capital directives, approval or denial of applications or notices, assessment of civil money penalties, or any other actions authorized by law.

(e) *Disclosure of capital categories.* The assignment of a bank under this subpart within a particular capital category is for purposes of implementing and applying the provisions of section 38. Unless permitted by the Board or otherwise required by law, no bank may state in any advertisement or promotional material its capital category under this subpart or that the Board or any other Federal banking agency has assigned the bank to a particular capital category.

#### § 208.31 Definitions.

For purposes of this subpart, except as modified in this section or unless the context otherwise requires, the terms used have the same meanings as
