

(f) *Failure to implement capital restoration plan.* Any undercapitalized state member bank that fails in any material respect to implement a capital restoration plan shall be subject to all of the provisions of section 38 and this subpart applicable to significantly undercapitalized institutions.

(g) *Amendment of capital plan.* A bank that has filed an approved capital restoration plan may, after prior written notice to and approval by the Board, amend the plan to reflect a change in circumstance. Until such time as a proposed amendment has been approved, the bank shall implement the capital restoration plan as approved prior to the proposed amendment.

(h) *Notice to FDIC.* Within 45 days of the effective date of Board approval of a capital restoration plan, or any amendment to a capital restoration plan, the Board shall provide a copy of the plan or amendment to the Federal Deposit Insurance Corporation.

(i) *Performance guarantee by companies that control a bank—(1) Limitation on Liability—(i) Amount limitation.* The aggregate liability under the guarantee provided under section 38 and this subpart for all companies that control a specific state member bank that is required to submit a capital restoration plan under this subpart shall be limited to the lesser of:

(A) An amount equal to 5.0 percent of the bank's total assets at the time the bank was notified or deemed to have notice that the bank was undercapitalized; or

(B) The amount necessary to restore the relevant capital measures of the bank to the levels required for the bank to be classified as adequately capitalized, as those capital measures and levels are defined at the time that the bank initially fails to comply with a capital restoration plan under this subpart.

(ii) *Limit on duration.* The guarantee and limit of liability under section 38 and this subpart shall expire after the Board notifies the bank that it has remained adequately capitalized for each of four consecutive calendar quarters. The expiration or fulfillment by a company of a guarantee of a capital restoration plan shall not limit the liability of the company under any guaran-

tee required or provided in connection with any capital restoration plan filed by the same bank after expiration of the first guarantee.

(iii) *Collection on guarantee.* Each company that controls a given bank shall be jointly and severally liable for the guarantee for such bank as required under section 38 and this subpart, and the Board may require and collect payment of the full amount of that guarantee from any or all of the companies issuing the guarantee.

(2) *Failure to provide guarantee.* In the event that a bank that is controlled by any company submits a capital restoration plan that does not contain the guarantee required under section 38(e)(2) of the FDI Act, the bank shall, upon submission of the plan, be subject to the provisions of section 38 and this subpart that are applicable to banks that have not submitted an acceptable capital restoration plan.

(3) *Failure to perform guarantee.* Failure by any company that controls a bank to perform fully its guarantee of any capital plan shall constitute a material failure to implement the plan for purposes of section 38(f) of the FDI Act. Upon such failure, the bank shall be subject to the provisions of section 38 and this subpart that are applicable to banks that have failed in a material respect to implement a capital restoration plan.

**§208.35 Mandatory and discretionary supervisory actions under section 38.**

(a) *Mandatory supervisory actions—(1) Provisions applicable to all banks.* All state member banks are subject to the restrictions contained in section 38(d) of the FDI Act on payment of capital distributions and management fees.

(2) *Provisions applicable to undercapitalized, significantly undercapitalized, and critically undercapitalized banks.* Immediately upon receiving notice or being deemed to have notice, as provided in section §208.32 or section §208.34 of this subpart, that the bank is undercapitalized, significantly undercapitalized, or critically undercapitalized, the bank shall become subject to the provisions of section 38 of the FDI Act:

(4) *Additional provisions applicable to critically undercapitalized banks.* In addition to the provisions of section 38 of the FDI Act described in paragraphs (a)(2) and (3) of this section, immediately upon receiving notice or being deemed to have notice, as provided in §208.32 of this subpart, that the bank is critically undercapitalized, the bank shall become subject to the provisions of section 38 of the FDI Act:

(i) Restricting the activities of the bank (section 38(h)(1)); and

(ii) Restricting payments on subordinated debt of the bank (section 38(h)(2)).

(b) *Discretionary supervisory actions.* In taking any action under section 38 that is within the Board's discretion to take in connection with: A state member bank that is deemed to be undercapitalized, significantly undercapital-
