(3) *Foreign banks*—(i) *Standards applied*. For purposes of determining whether a foreign banking organization qualifies under paragraph (r)(1) of this section:

(A) A foreign banking organization whose home country supervisor, as defined in §211.21 of the Board’s Regulation K (12 CFR 211.21), has adopted capital standards consistent in all respects with the Capital Accord of the Basle Committee on Banking Supervision (Basle Accord) may calculate its capital ratios under the home country standard; and

(B) A foreign banking organization whose home country supervisor has not adopted capital standards consistent in all respects with the Basle Accord shall obtain a determination from the Board that its capital is equivalent to the capital that would be required of a U.S. banking organization under paragraph (r)(1) of this section.

(ii) *Branches and agencies*. For purposes of determining, under paragraph (r)(1) of this section, whether a branch or agency of a foreign banking organization is well-capitalized, the branch or agency shall be deemed to have the same capital ratios as the foreign banking organization.

(s) *Well-managed*—(1) *In general*. A company, insured depository institution, or branch or agency of a foreign banking organization is *well-managed* if:

(2) *Foreign banking organizations*. A foreign banking organization shall qualify under this paragraph if the combined operations of the foreign banking organization in the United States have received at least a satisfactory composite rating at the most recent annual assessment.

§225.3 Administration.

(a) *Delegation of authority*. Designated Board members and officers and the Federal Reserve Banks are authorized by the Board to exercise various functions prescribed in this regulation and in the Board’s Rules Regarding Delegation of Authority (12 CFR part 265) and the Board’s Rules of Procedure (12 CFR part 262).

(b) *Appropriate Federal Reserve Bank*. In administering this regulation, unless a different Federal Reserve Bank is designated by the Board, the appropriate Federal Reserve Bank is as follows:

(1) For a bank holding company (or a company applying to become a bank holding company): the Reserve Bank of the Federal Reserve district in which the company’s banking operations are principally conducted, as measured by total domestic deposits in its subsidiary banks on the date it became (or will become) a bank holding company;

(2) For a foreign banking organization that has no subsidiary bank and is not subject to paragraph (b)(1) of this section: the Reserve Bank of the Federal Reserve district in which the total assets of the organization’s United States branches, agencies, and commercial lending companies are the largest as of the later of January 1, 1980, or the date it becomes a foreign banking organization;

(3) For an individual or company submitting a notice under subpart E of this part: The Reserve Bank of the Federal Reserve district in which the banking operations of the bank holding company or state member bank to be acquired are principally conducted, as

§225.4 Corporate practices.

(a) *Bank holding company policy and operations.* (1) A bank holding company shall serve as a source of financial and managerial strength to its subsidiary banks and shall not conduct its operations in an unsafe or unsound manner.

(2) Whenever the Board believes an activity of a bank holding company or control of a nonbank subsidiary (other than a nonbank subsidiary of a bank) constitutes a serious risk to the financial safety, soundness, or stability of a subsidiary bank of the bank holding company and is inconsistent with sound banking principles or the purposes of the BHC Act or the Financial Institutions Supervisory Act of 1966, as amended (12 U.S.C. 1818(b) *et seq.*), the Board may require the bank holding company to terminate the activity or to terminate control of the subsidiary, as provided in section 5(e) of the BHC Act.

(b) *Purchase or redemption by bank holding company of its own securities—(1) Filing notice.* Except as provided in paragraph (b)(6) of this section, a bank holding company shall give the Board prior written notice before purchasing or redeeming its equity securities if the gross consideration for the purchase or redemption, when aggregated with the net consideration paid by the company for all such purchases or redemptions during the preceding 12 months, is equal to 10 percent or more of the company's consolidated net worth. For the purposes of this section, "net consideration" is the gross consideration paid by the company for all of its equity securities purchased or redeemed during the period minus the gross consideration received for all of its equity securities sold during the period.

(2) *Contents of notice.* Any notice under this section shall be filed with the appropriate Reserve Bank and shall contain the following information:

(i) The purpose of the transaction, a description of the securities to be purchased or redeemed, the total number of each class outstanding, the gross consideration to be paid, and the terms

(ii) A description of all equity securities redeemed within the preceding 12 months, the net consideration paid, and the terms of any debt incurred in connection with those transactions; and

(iii) (A) If the bank holding company has consolidated assets of \$150 million or more, consolidated *pro forma* risk-based capital and leverage ratio calculations for the bank holding company as of the most recent quarter, and, if the redemption is to be debt funded, a parent-only *pro forma* balance sheet as of the most recent quarter; or

(B) If the bank holding company has consolidated assets of less than \$150 million, a *pro forma* parent-only balance sheet as of the most recent quarter, and, if the redemption is to be debt funded, one-year income statement and cash flow projections.

(3) *Acting on notice.* Within 15 calendar days of receipt of a notice under this section, the appropriate Reserve Bank shall either approve the transaction proposed in the notice or refer the notice to the Board for decision. If the notice is referred to the Board for decision, the Board shall act on the notice within 30 calendar days after the Reserve Bank receives the notice.

(4) *Factors considered in acting on notice.* (i) The Board may disapprove a proposed purchase or redemption if it finds that the proposal would constitute an unsafe or unsound practice, or would violate any law, regulation, Board order, directive, or any condition imposed by, or written agreement with, the Board.

(ii) In determining whether a proposal constitutes an unsafe or unsound practice, the Board shall consider whether the bank holding company's financial condition, after giving effect to the proposed purchase or redemption, meets the financial standards applied by the Board under section 3 of the BHC Act, including the Board's Capital Adequacy Guidelines (Appendix A of this part) and the Board's Policy Statement for Small Bank Holding Companies (Appendix C of this part).

(5) *Disapproval and hearing.* (i) The Board shall notify the bank holding company in writing of the reasons for a
