§ 263.201 Scope.

(a) The rules and procedures set forth in this subpart apply to state member banks, companies that control state member banks or are affiliated with such banks, and senior executive officers and directors of state member banks that are subject to the provisions of section 38 of the Federal Deposit Insurance Act (section 38) and subpart B of part 208 of this chapter.

§ 263.202 Directives to take prompt regulatory action.

(a) *Notice of intent to issue directive—*
 (1) *In general.* The Board shall provide an undercapitalized, significantly undercapitalized, or critically undercapitalized state member bank or, where appropriate, any company that controls the bank, prior written notice of the Board's intention to issue a directive requiring such bank or company to take actions or to follow proscriptions described in section 38 that are within the Board's discretion to require or impose under section 38 of the FDI Act, including sections 38(e)(5), (f)(2), (f)(3), or (f)(5). The bank shall have such time to respond to a proposed directive as provided by the Board under paragraph (c) of this section.

(2) *Immediate issuance of final directive.* If the Board finds it necessary in order to carry out the purposes of section 38 of the FDI Act, the Board may, without providing the notice prescribed in paragraph (a)(1) of this section, issue

a directive requiring a state member bank or any company that controls a state member bank immediately to take actions or to follow proscriptions described in section 38 that are within the Board's discretion to require or impose under section 38 of the FDI Act, including section 38(e)(5), (f)(2), (f)(3), or (f)(5). A bank or company that is subject to such an immediately effective directive may submit a written appeal of the directive to the Board. Such an appeal must be received by the Board within 14 calendar days of the issuance of the directive, unless the Board permits a longer period. The Board shall consider any such appeal, if filed in a timely matter, within 60 days of receiving the appeal. During such period of review, the directive shall remain in effect unless the Board, in its sole discretion, stays the effectiveness of the directive.

(b) *Contents of notice.* A notice of intention to issue a directive shall include:

(1) A statement of the bank's capital measures and capital levels;

(2) A description of the restrictions, prohibitions, or affirmative actions that the Board proposes to impose or require;

(3) The proposed date when such restrictions or prohibitions would be effective or the proposed date for completion of such affirmative actions; and

(4) The date by which the bank or company subject to the directive may file with the Board a written response to the notice.

(c) *Response to notice—*(1) *Time for response.* A bank or company may file a written response to a notice of intent to issue a directive within the time period set by the Board. The date shall be at least 14 calendar days from the date of the notice unless the Board determines that a shorter period is appropriate in light of the financial condition of the bank or other relevant circumstances.

(2) *Content of response.* The response should include:

(i) An explanation why the action proposed by the Board is not an appropriate exercise of discretion under section 38;

(ii) Any recommended modification of the proposed directive; and
