

Federal Reserve System

§ 271.9

or any Federal Reserve Bank shall disclose or permit the disclosure of any unpublished information of the Committee to any person (other than Committee officers, employees, or agents properly entitled to such information for the performance of official duties).

§ 271.8 Subpoenas.

(a) *Advice by person served.* If any person, whether or not an officer or employee of the Committee, of the Board of Governors of the Federal Reserve System, or of a Federal Reserve Bank, has information of the Committee that may not be disclosed by reason of § 271.7 and in connection therewith is served with a subpoena, order, or other process requiring his personal attendance as a witness or the production of documents or information upon any proceeding, he should promptly inform the Secretary of the Committee of such service and of all relevant facts, including the documents and information requested and any facts that may be of assistance in determining whether such documents or information should be made available; and he should take action at the appropriate time to inform the court or tribunal that issued the process, and the attorney for the party at whose instance the process was issued, if known, of the substance of this part.

(b) *Appearance by person served.* Except as disclosure of the relevant information is authorized pursuant to this part, any person who has information of the Committee and is required to respond to a subpoena or other legal process shall attend at the time and place therein mentioned and decline to disclose such information or give any testimony with respect thereto, basing his refusal upon this part. If, notwithstanding, the court or other body orders the disclosure of such information, or the giving of such testimony, the person having such information of the Committee shall continue to decline to disclose such information and shall promptly report the facts to the Committee for such action as the Committee may deem appropriate.

§ 271.9 Fee schedules; waiver of fees.

(a) *Fee schedules.* The fees applicable to a request for records pursuant to

§§ 271.4 and 271.5 are set forth in Appendix A to this section. These fees cover only the full allowable direct costs of search, duplication, and review. No fees will be charged where the average cost of collecting the fee (calculated at \$5.00) exceeds the amount of the fee.

(b) *Payment procedures.* The Secretary may assume that a person requesting records pursuant to § 271.5 will pay the applicable fees, unless the request includes a limitation on fees to be paid or seeks a waiver or reduction of fees pursuant to paragraph (f) of this section.

(1) *Advance notification of fees.* If the estimated charges are likely to exceed \$100, the Secretary of the Committee shall notify the requester of the estimated amount, unless the requester has indicated a willingness to pay fees as high as those anticipated. Upon receipt of such notice, the requester may confer with the Secretary to reformulate the request to lower the costs.

(2) *Advance payment.* The Secretary may require advance payment of any fee estimated to exceed \$250. The Secretary may also require full payment in advance where a requester has previously failed to pay a fee in a timely fashion. The time period for responding to requests under § 271.6(d), and the processing of the request shall be suspended until the Secretary receives the required payment.

(3) *Late charges.* The Secretary may assess interest charges when fee payment is not made within 30 days of the date on which the billing was sent. Interest is at the rate prescribed in 31 U.S.C. 3717 and accrues from the date of the billing.

(c) *Categories of uses.* The fees assessed depend upon the intended use for the records requested. In determining which category is appropriate, the Secretary shall look to the intended use set forth in the request for records. Where a requester's description of the use is insufficient to make a determination, the Secretary may seek additional clarification before categorizing the request.

(1) *Commercial use.* The fees for search, duplication, and review apply when records are requested for commercial use.

(2) *Educational, research, or media use.* The fees for duplication apply when

records are not sought for commercial use, and the requester is a representative of the news media or an educational or noncommercial scientific institution, whose purpose is scholarly or scientific research. The first 100 pages of duplication, however, will be provided free.

(3) *All other uses.* For all other requests, the fees for document search and duplication apply. The first two hours of search time and the first 100 pages of duplication, however, will be provided free.

(d) *Nonproductive search.* Fees for search and review may be charged even if no responsive documents are located or if the request is denied.

(e) *Aggregated requests.* A requester may not file multiple requests at the same time, solely in order to avoid payment of fees. If the Secretary reasonably believes that a requester is separating a request into a series of requests for the purpose of evading the assessment of fees, the Secretary may aggregate any such requests and charge accordingly. It is considered reasonable for the Secretary to presume that multiple requests of this type made within a 30-day period have been made to avoid fees.

(f) *Waiver or reduction of fees.* A request for a waiver or reduction of the fees, and the justification for the waiver, shall be included with the request for records to which it pertains. If a waiver is requested and the requester has not indicated in writing an agreement to pay the applicable fees if the waiver request is denied, the time for response to the request for documents, as set forth in §271.6(d), shall not begin until a determination has been made on the request for a waiver or reduction of fees.

(1) *Standards for determining waiver or reduction.* The Secretary shall grant a waiver or reduction of fees where it is determined both that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operation or activities of the government, and that the disclosure of information is not primarily in the commercial interest of the requester. In making this determination, the following factors shall be considered:

(i) Whether the subject of the records concerns the operations or activities of the government;

(ii) Whether disclosure of the information is likely to contribute significantly to public understanding of government operations or activities;

(iii) Whether the requester has the intention and ability to disseminate the information to the public;

(iv) Whether the information is already in the public domain;

(v) Whether the requester has a commercial interest that would be furthered by the disclosure; and, if so,

(vi) Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(2) *Contents of request for waiver.* A request for a waiver or reduction of fees shall include:

(i) A clear statement of the requester's interest in the documents;

(ii) The use proposed for the documents and whether the requester will derive income or other benefit for such use;

(iii) A statement of how the public will benefit from such use and from the Committee's release of the documents;

(iv) A description of the method by which the information will be disseminated to the public; and

(v) If specialized use of the information is contemplated, a statement of the requester's qualifications that are relevant to that use.

(3) *Burden of proof.* The burden shall be on the requester to present evidence or information in support of a request for a waiver or reduction of fees.

(4) *Determination by Secretary.* The Secretary shall make a determination on the request for a waiver or reduction of fees and shall notify the requester accordingly. A denial may be appealed to the Committee in accordance with §271.6(h).

(g) *Employee requests.* In connection with any request by an employee, former employee, or applicant for employment, for records for use in prosecuting a grievance or complaint of discrimination against the Committee, fees shall be waived where the total

charges (including charges for information provided under the Privacy Act of 1974 (5 U.S.C. 552a) are \$50 or less; but the Secretary may waive fees in excess of that amount.

(h) *Special services* The Secretary may agree to provide, and set fees to recover the costs of, special services not

covered by the Freedom of Information Act, such as certifying records or information and sending records by special methods such as express mail or overnight delivery.

§ 272.1 Authority.

This part is issued by the Federal Open Market Committee (the Committee) pursuant to the requirement of section 552 of title 5 of the United States Code that every agency shall publish in the FEDERAL REGISTER its rules of procedure.

§ 272.2 Functions of the Committee.

The procedures followed by the Committee are designed to facilitate the effective performance of the Committee's statutory functions with respect to the regulation and direction of open market operations conducted by the Federal Reserve banks and with respect to certain direct transactions between the Reserve banks and the United States. In determining the policies to be fol-

lowed in such operations, the Committee considers information regarding business and credit conditions and domestic and international economic and financial developments, and other pertinent information gathered and submitted by its staff and the staffs of the Board of Governors of the Federal Reserve System (the Board) and the Federal Reserve banks. Against the background of such information, the Committee takes actions from time-to-time to regulate and direct the open market operations of the Reserve banks. Such policy actions ordinarily are taken through the adoption and transmission to the Federal Reserve banks of regulations, authorizations, and directives.

§ 272.3 Meetings.

(a) *Place and frequency.* The Committee meets in Washington, DC, at least four times each year and oftener if deemed necessary. Meetings are held upon the call of the Chairman of the Board or at the request of any three members of the Committee. Notices of calls by the Chairman of the Board to other members are given by the Secretary of the Committee in writing or by telegram. Requests of any three members for the calling of a meeting
