(c) *Statement confidential.* Unless otherwise ordered by the Board of Directors or required by law, the statement of net worth shall be for the confidential use of counsel for the FDIC, the Board of Directors, and the administrative law judge.

**§308.178 Statement of fees and expenses.**

The application shall be accompanied by a statement fully documenting the fees and expenses for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in work in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services performed. The administrative law judge or the Board of Directors may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

**§308.179 Settlement negotiations.**

If counsel for the FDIC and the applicant believe that the issues in a fee application can be settled, they may jointly file with the Executive Secretary a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer under §308.171 for an additional 20 days, and further extensions may be granted by the administrative law judge upon the joint request of counsel for the FDIC and the applicant.

**§308.180 Further proceedings.**

(a) *General rule.* Ordinarily, the determination of a recommended award will be made by the administrative law judge on the basis of the written record. However, on request of either

the applicant or the FDIC, or on his or her own initiative, the administrative law judge may order further proceedings such as an informal conference, oral argument, additional written submissions, or an evidentiary hearing. Such further proceedings will be held only when necessary for full and fair resolution of the issues arising from the application and will be conducted promptly and expeditiously.

(b) *Request for further proceedings.* A request for further proceedings under this section shall specifically identify the information sought or the issues in dispute and shall explain why additional proceedings are necessary.

(c) *Hearing.* Ordinarily, the administrative law judge shall hold an oral evidentiary hearing only on disputed issues of material fact which cannot be adequately resolved through written submissions.

**§308.181 Recommended decision.**

The administrative law judge shall file with the Executive Secretary a recommended decision on the fee application not later than 90 days after the filing of the application or 30 days after the conclusion of the hearing, whichever is later. The recommended decision shall include written proposed findings and conclusions on the applicant's eligibility and its status as a prevailing party and an explanation of the reasons for any difference between the amount requested and the amount of the recommended award. The recommended decision shall also include, if at issue, proposed findings on whether the FDIC's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. The administrative law judge shall file the record of the proceeding on the fee application and, at the same time, serve upon each party a copy of the recommended decision, findings, conclusions, and proposed order.

**§308.182 Board of Directors action.**

(a) *Exceptions to recommended decision.* Within 20 days after service of the recommended decision, findings, conclusions, and proposed order, the applicant or counsel for the FDIC may file

with the Executive Secretary written exceptions thereto. A supporting brief may also be filed.

(b) *Decision of Board of Directors.* The Board of Directors shall render its decision within 60 days after the matter is submitted to it by the Executive Secretary. The Executive Secretary shall furnish copies of the decision and order of the Board of Directors to the parties. Judicial review of the decision and order may be obtained as provided in 5 U.S.C. 504(c)(2).

**§308.183 Payment of awards.**

An applicant seeking payment of an award made by the Board of Directors shall submit to the Executive Secretary a statement that the applicant will not seek judicial review of the decision and order or that the time for seeking further review has passed and no further review has been sought. The FDIC will pay the amount awarded within 30 days after receiving the applicant's statement, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

The bank shall have such time to respond to a proposed directive as provided by the FDIC under paragraph (c) of this section.

(2) *Immediate issuance of final directive.* If the FDIC finds it necessary in order to carry out the purposes of section 38 of the FDI Act, the FDIC may, without providing the notice prescribed in paragraph (a)(1) of this section, issue a directive requiring a bank immediately to take actions or to follow proscriptions described in section 38 that are within the FDIC's discretion to require or impose under section 38 of the FDI Act, including section 38 (e)(5), (f)(2), (f)(3), or (f)(5). A bank that is subject to such an immediately effective directive may submit a written appeal of the directive to the FDIC. Such an appeal must be received by the FDIC within 14 calendar days of the issuance of the directive, unless the FDIC permits a longer period. The FDIC shall consider any such appeal, if filed in a timely matter, within 60 days of receiving the appeal. During such period of review, the directive shall remain in effect unless the FDIC, in its sole discretion, stays the effectiveness of the directive.

(b) *Contents of notice.* A notice of intention to issue a directive shall include:

(1) A statement of the bank's capital measures and capital levels;

(2) A description of the restrictions, prohibitions or affirmative actions that the FDIC proposes to impose or require;
