§§ 337.7—337.9 [Reserved]

§ 337.10 Waiver.

An insured State nonmember bank has the right to petition the Board of Directors of the Corporation for a waiver of this part or any subpart thereof with respect to any particular transaction or series of similar transactions. A waiver may be granted at the discretion of the Board upon a showing of good cause. All such petitions should be filed with the Office of the Executive Secretary, Federal Deposit Insurance Corporation, 550 17th Street, NW., Washington, DC 20429.

§ 337.11 Effect on other banking practices.

Nothing in this part shall be construed as restricting in any manner the Corporation's authority to deal with any banking practice which is deemed to be unsafe or unsound or otherwise not in accordance with law, rule, or regulation; or which violates any condition imposed in writing by the Corporation in connection with the granting of any application or other request by an insured State nonmember bank, or any written agreement entered into by such bank with the Corporation. Compliance with the provisions of this part shall not relieve an insured State nonmember bank from its duty to conduct its operations in a safe and sound manner nor prevent the Corporation from taking whatever action it deems necessary and desirable to deal with specific acts or practices which, although they do not violate the provisions of this part, are considered det-

rimonial to the safety and sound operation of the bank engaged therein.

§ 337.12 Frequency of examination.

(a) *General.* The Federal Deposit Insurance Corporation examines insured state nonmember banks pursuant to authority conferred by section 10 of the Federal Deposit Insurance Act (12 U.S.C. 1820). The FDIC is required to conduct a full-scope, on-site examination of every insured state nonmember bank at least once during each 12-month period.

(b) *18-month rule for certain small institutions.* The FDIC may conduct a full-scope, on-site examination of an insured state nonmember bank at least once during each 18-month period, rather than each 12-month period as provided in paragraph (a) of this section, if the following conditions are satisfied:

(1) The bank has total assets of \$250 million or less;

(2) The bank is well capitalized as defined in § 325.103(b)(1) of this chapter;

(3) At the most recent FDIC or applicable State banking agency examination, the FDIC found the bank to be well managed;

(4) At the most recent FDIC or applicable State banking agency examination, the FDIC assigned the insured state nonmember bank a composite rating of 1 or 2 under the Uniform Financial Institutions Rating System (copies are available at the addresses specified in § 309.4 of this chapter);

(5) The bank currently is not subject to a formal enforcement proceeding or order by the FDIC, OCC, or Federal Reserve System; and

(6) No person acquired control of the bank during the preceding 12-month period in which a full-scope, on-site examination would have been required but for this section.

(c) *Authority to conduct more frequent examinations.* This section does not limit the authority of the FDIC to examine any insured state nonmember bank as frequently as the agency deems necessary.
