§ 345.11 Authority, purposes, and scope.

(a) *Authority and OMB control number—(1) Authority.* The authority for this part is 12 U.S.C. 1814–1817, 1819–1820, 1828, 1831u and 2901–2907, 3103–3104, and 3108(a).

(2) *OMB control number.* The information collection requirements contained in this part were approved by the Office of Management and Budget under the provisions of 44 U.S.C. 3501 *et seq.* and

have been assigned OMB control number 3064-0092.

(b) *Purposes.* In enacting the Community Reinvestment Act (CRA), the Congress required each appropriate Federal financial supervisory agency to assess an institution's record of helping to meet the credit needs of the local communities in which the institution is chartered, consistent with the safe and sound operation of the institution, and to take this record into account in the agency's evaluation of an application for a deposit facility by the institution. This part is intended to carry out the purposes of the CRA by:

(1) Establishing the framework and criteria by which the Federal Deposit Insurance Corporation (FDIC) assesses a bank's record of helping to meet the credit needs of its entire community, including low- and moderate-income neighborhoods, consistent with the safe and sound operation of the bank; and

(2) Providing that the FDIC takes that record into account in considering certain applications.

(c) *Scope*—(1) *General.* Except for certain special purpose banks described in paragraph (c)(3) of this section, this part applies to all insured State nonmember banks, including insured State branches as described in paragraph (c)(2) and any uninsured State branch that results from an acquisition described in section 5(a)(8) of the International Banking Act of 1978 (12 U.S.C. 3103(a)(8)).

(2) *Insured State branches.* Insured State branches are branches of a foreign bank established and operating under the laws of any State, the deposits of which are insured in accordance with the provisions of the Federal Deposit Insurance Act. In the case of insured State branches, references in this part to *main office* mean the principal branch within the United States and the term *branch* or *branches* refers to any insured State branch or branches located within the United States. The *assessment area* of an insured State branch is the community or communities located within the United States served by the branch as described in §345.41.

(3) *Certain special purpose banks.* This part does not apply to special purpose banks that do not perform commercial

or retail banking services by granting credit to the public in the ordinary course of business, other than as incident to their specialized operations. These banks include banker's banks, as defined in 12 U.S.C. 24 (Seventh), and banks that engage only in one or more of the following activities: providing cash management controlled disbursement services or serving as correspondent banks, trust companies, or clearing agents.

§ 345.12 Definitions.

For purposes of this part, the following definitions apply:

(a) *Affiliate* means any company that controls, is controlled by, or is under common control with another company. The term *control* has the meaning given to that term in 12 U.S.C. 1841(a)(2), and a company is under common control with another company if both companies are directly or indirectly controlled by the same company.

(b) *Area median income* means:

(1) The median family income for the MSA, if a person or geography is located in an MSA; or

(2) The statewide nonmetropolitan median family income, if a person or geography is located outside an MSA.

(d) *Remote Service Facility (RSF)* means an automated, unstaffed banking facility owned or operated by, or operated exclusively for, the bank, such as an automated teller machine, cash dispensing machine, point-of-sale terminal, or other remote electronic facility, at which deposits are received, cash dispersed, or money lent.

(e) *Bank* means a State nonmember bank, as that term is defined in section 3(e)(2) of the Federal Deposit Insurance Act, as amended (FDIA) (12 U.S.C. 1813(e)(2)), with Federally insured deposits, except as provided in §345.11(c). The term bank also includes an insured State branch as defined in §345.11(c).

(f) *Branch* means a staffed banking facility authorized as a branch, whether shared or unshared, including, for example, a mini-branch in a grocery store or a branch operated in conjunction with any other local business or
