

OTS with 30 days' advance notice. If within that 30-day period OTS notifies you that an investment presents supervisory, legal, or safety and soundness concerns, you must file an application with OTS in accordance with §516.1 of this chapter and may not make the investment without first receiving OTS's prior written approval. Notices under this section are deemed to be applications for purposes of statutory and regulatory references to "applications." Any conditions that OTS imposes on any pass-through investment shall be enforceable as a condition imposed in writing by the OTS in connection with the granting of a request by a savings association within the meaning of 12 U.S.C. 1818(b) or 1818(i).

[61 FR 66578, Dec. 18, 1996]

§ 560.33 Late charges.

A Federal savings association may include in a home loan contract a provision authorizing the imposition of a late charge with respect to the payment of any delinquent periodic payment. With respect to any loan made after July 31, 1976, on the security of a home occupied or to be occupied by the borrower, no late charge, regardless of form, shall be assessed or collected by a Federal savings association, unless any billing, coupon, or notice the Federal savings association may provide regarding installment payments due on the loan discloses the date after which the charge may be assessed. A Federal savings association may not impose a late charge more than one time for late payment of the same installment, and any installment payment made by the borrower shall be applied to the longest outstanding installment due. A Federal savings association shall not assess a late charge as to any payment received by it within fifteen days after the due date of such payment. No form of such late charge permitted by this paragraph shall be considered as interest to the Federal savings association and the Federal savings association shall not deduct late charges from the regular periodic installment payments on the loan, but must collect them as such from the borrower.

§ 560.34 Prepayments.

Any prepayment on a real estate loan must be applied directly to reduce the principal balance on the loan unless the loan contract or the borrower specifies otherwise. Subject to the terms of the loan contract, a Federal savings association may impose a fee for any prepayment of a loan.

§ 560.35 Adjustments to home loans.

(a) For any home loan secured by borrower-occupied property, or property to be occupied by the borrower, adjustments to the interest rate, payment, balance, or term to maturity must comply with the limitations of this section and the disclosure and notice requirements of §560.210 of this part.

(b) Adjustments to the interest rate shall correspond directly to the movement of an index satisfying the requirements of paragraph (d) of this section. A Federal savings association also may increase the interest rate pursuant to a formula or schedule that specifies the amount of the increase, the time at which it may be made, and which is set forth in the loan contract. A Federal savings association may decrease the interest rate at any time.

(c) Adjustments to the payment and the loan balance that do not reflect an interest-rate adjustment may be made if:

(1) The adjustments reflect a change in an index that may be used pursuant to paragraph (d) of this section;

(2) In the case of a payment adjustment, the adjustment reflects a change in the loan balance or is made pursuant to a formula, or to a schedule specifying the percentage or dollar change in the payment as set forth in the loan contract; or

(3) In the case of an open-end line-of-credit loan, the adjustment reflects an advance taken by the borrower under the line-of-credit and is permitted by the loan contract.

(d)(1) Any index used must be readily available and independently verifiable. If set forth in the loan contract, an association may use any combination of indices, a moving average of index values, or more than one index during the term of a loan.

(2) Except as provided in paragraph (d)(3) of this section, any index used must be a national or regional index.

(3) A Federal savings association may use an index not satisfying the requirements of paragraph (d)(2) of this section 30 days after filing a notice in accordance with §516.1(c) of this chapter unless, within that 30-day period, OTS has notified the association that the notice presents supervisory concerns or raises significant issues of law or policy. If OTS does notify the association of such concerns or issues, the Federal savings association may not use such an index unless and until it applies for and receives OTS's prior written approval in accordance with §516.1(c) of this chapter.

§ 560.36 De minimis investments.

A federal savings association may invest in the aggregate up to the greater of one-fourth of 1% of its total capital or \$100,000 in community development investments of the type permitted for a national bank under 12 CFR Part 24.

[61 FR 66579, Dec. 18, 1996]

§ 560.37 Real estate for office and related facilities.

A federal savings association may invest in real estate (improved or unimproved) to be used for office and related facilities of the association, or for such office and related facilities and for rental or sale, if such investment is made and maintained under a prudent program of property acquisition to meet the federal savings association's present needs or its reasonable future needs for office and related facilities. A federal savings association may not make an investment that would cause the outstanding book value of all such investments (including investments under §559.4(e)(2) of this chapter) to exceed its total capital.

[61 FR 66579, Dec. 18, 1996]

§ 560.40 Commercial paper and corporate debt securities.

Pursuant to HOLA section 5(c)(2)(D), a Federal savings association may invest in, sell, or hold commercial paper and corporate debt securities subject to the provisions of this section.

(a) *Limitations.* (1) Commercial paper must be:

(i) As of the date of purchase, rated in either one of the two highest categories by at least two nationally recognized investment ratings services as shown by the most recently published rating made of such investments; or

(ii) If unrated, guaranteed by a company having outstanding paper that is rated as provided in paragraph (a)(1)(i) of this section.

(2) Corporate debt securities must be:

(i) Securities that may be sold with reasonable promptness at a price that corresponds reasonably to their fair value; and

(ii) Rated in one of the four highest categories by a nationally recognized investment ratings service at its most recently published rating before the date of purchase of the security.

(3) A Federal savings association's total investment in the commercial paper and corporate debt securities of any one issuer, or issued by any one person or entity affiliated with such issuer, together with other loans, shall not exceed the general lending limitations contained in §560.93(c) of this part.

(4) Investments in corporate debt securities convertible into stock are subject to the following additional limitations:

(i) The purchase of securities convertible into stock at the option of the issuer is prohibited;

(ii) At the time of purchase, the cost of such securities must be written down to an amount that represents the investment value of the securities considered independently of the conversion feature; and

(iii) Federal savings associations are prohibited from exercising the conversion feature.

(5) A Federal savings association shall maintain information in its files adequate to demonstrate that it has exercised prudent judgment in making investments under this section.

(b) Notwithstanding the limitations contained in this section, the Office may permit investment in corporate debt securities of another savings association in connection with the purchase or sale of a branch office or in
