PART 562—REGULATORY REPORTING STANDARDS

Sec.

562.1 Regulatory reporting requirements.

562.2 Regulatory reports.

562.4 Audit of savings associations and savings association holding companies.

AUTHORITY: 12 U.S.C. 1463.

SOURCE: 57 FR 40090, Sept. 2, 1992, unless otherwise noted.

§ 562.1 Regulatory reporting requirements.

(a) *Authority and scope.* This part is issued by the Office of Thrift Supervision (OTS) pursuant to section 4(b) and 4(c) of the Home Owners' Loan Act (HOLA). It applies to all savings associations regulated by the OTS.

(b) *Records and reports—general—(1) Records.* Each savings association and its affiliates shall maintain accurate and complete records of all business transactions. Such records shall support and be readily reconcilable to any regulatory reports submitted to the OTS and financial reports prepared in accordance with GAAP. The records shall be maintained in the United States and be readily accessible for examination and other supervisory purposes within 5 business days upon request by the OTS, at a location acceptable to the OTS.

(2) *Reports.* For purposes of examination by and regulatory reports to the OTS and compliance with this chapter, all savings associations shall use such forms and follow such regulatory reporting requirements as the OTS may require by regulation or otherwise.

§ 562.2 Regulatory reports.

(a) *Definition and scope.* This section applies to all regulatory reports, as defined herein. A regulatory report is any report that the OTS prepares, or is submitted to, or is used by the OTS, to determine compliance with its rules and regulations, and to evaluate the safe and sound condition and operation of savings associations. The Report of Ex-

(b) *Regulatory reporting requirements—(1) General.* The instructions to regulatory reports are referred to as “regulatory reporting requirements.” Regulatory reporting requirements include, but are not limited to, the accounting instructions provided in the TFR, guidance contained in OTS regulations, bulletins, and examination handbooks, and safe and sound practices. Regulatory reporting requirements are not limited to the minimum requirements under generally accepted accounting principles (GAAP) because of the special supervisory, regulatory, and economic policy needs served by such reports. Regulatory reporting by savings associations that purports to comply with GAAP shall incorporate the GAAP that best reflects the underlying economic substance of the transaction at issue. Regulatory reporting requirements shall, at a minimum:

(i) Incorporate GAAP whenever GAAP is the referenced accounting instruction for regulatory reports to the Federal banking agencies;

(ii) Incorporate safe and sound practices contained in OTS regulations, bulletins, examination handbooks and instructions to regulatory reports. Such safety and soundness requirements shall be no less stringent than those applied by the Comptroller of the Currency for national banks; and

(iii) Incorporate additional safety and soundness requirements more stringent than GAAP, as the Director may prescribe.

(2) *Exceptions.* Regulatory reporting requirements that are not consistent with GAAP, if any, are not required to be reflected in audited financial statements, including financial statements contained in securities filings submitted to the OTS pursuant to the Securities and Exchange Act of 1934 or parts 563b, 563d, or 563g of this chapter.

(3) *Compliance.* When the OTS determines that a savings association's regulatory reports did not conform to regulatory reporting requirements in previous reporting periods, the association shall correct its regulatory reports in
