

under 12 CFR part 563b; or demonstrates to the satisfaction of the OTS that a non-conforming issuance would be more beneficial to the association compared to a conforming offering, considering, in the aggregate, the effect of each on the association's financial and managerial resources and future prospects, the effect of the issuance upon the association, the insurance risk to the relevant Federal deposit insurance fund, and the convenience and needs of the community to be served.

(e) *Procedural and substantive requirements.* The procedural and substantive requirements of §§ 563b.3 through 563b.8 of this chapter shall apply to all mutual holding company stock issuances under this section, unless clearly inapplicable.

#### **§ 575.8 Contents of Stock Issuance Plans.**

(a) *Mandatory provisions.* Each of the provisions mandatory for all stock issuance plans under this paragraph shall be deemed regulatory requirements. Each Stock Issuance Plan shall contain a complete description of all significant terms of the proposed stock issuance (including the information specified in § 563b.27(a) of this chapter to the extent known), shall attach and incorporate the proposed form of stock certificate, the proposed stock order form, and any agreements or other documents defining the rights of the stockholders, and shall:

(1) Provide that the stock shall be sold at a total price equal to the estimated *pro forma* market value of such stock, based upon an independent valuation, as provided in § 575.7(b) of this part;

(2) Provide that the aggregate amount of outstanding common stock of the association owned or controlled by persons other than the association's mutual holding company parent at the close of the proposed issuance shall be less than fifty percent of the association's total outstanding common stock (This provision may be omitted if the proposed issuance will be conducted by an association that was in the stock form when acquired by its mutual hold-

ing company parent, provided the association is not a resulting association or an acquiree association);

(3) Provide that the aggregate amount of common stock acquired in the proposed issuance, plus all prior issuances of the association, by any non-tax-qualified employee stock benefit plan of the association or any insider of the association and his or her associates, exclusive of any stock acquired by said plan or insider and his or her associates in the secondary market, shall not exceed ten percent of the outstanding shares of common stock of the association held by persons other than the association's mutual holding company parent at the close of the proposed issuance. In calculating the number of shares held by any insider or associate under this provision or the provision in paragraph (a)(4) of this section, shares held by any tax-qualified or non-tax-qualified employee stock benefit plan of the association that are attributable to such person shall not be counted;

(4) Provide that the aggregate amount of stock, whether common or preferred, acquired in the proposed issuance, plus all prior issuances of the association, by any non-tax-qualified employee stock benefit plan of the association or any insider of the association and his or her associates, exclusive of any stock acquired by said plan or insider and his or her associates in the secondary market, shall not exceed ten percent of the stockholders' equity of the association held by persons other than the association's mutual holding company parent at the close of the proposed issuance;

(5) Provide that the aggregate amount of common stock acquired in the proposed issuance, plus all prior issuances of the association, by any one or more tax-qualified employee stock benefit plans of the association, exclusive of any stock acquired by such plans in the secondary market, shall not exceed ten percent of the outstanding shares of common stock of the association held by persons other than the association's mutual holding company parent at the close of the proposed issuance;

(6) Provide that the aggregate amount of stock, whether common or

(7) Provide that the aggregate amount of common stock acquired in the proposed issuance, plus all prior issuances of the association, by all non-tax-qualified employee stock benefit plans of the association, insiders of the association, and associates of insiders of the association, exclusive of any stock acquired by said plans, insiders, and associates in the secondary market, shall not exceed thirty-five percent of the outstanding shares of common stock of the association held by persons other than the association's mutual holding company parent at the close of the proposed issuance if the association has less than \$50 million in total assets prior to the issuance or twenty-five percent of such outstanding shares if the association has more than \$500 million in total assets prior to the issuance. If the association has between \$50 million and \$500 million in total assets prior to the issuance, the maximum percentage shall be equal to thirty-five percent minus one percent multiplied by the quotient of total assets less \$50 million divided by \$45 million. (See example calculation set forth in §563b.3(c)(8) of this chapter.) In calculating the number of shares held by insiders and their associates under this provision or the provision in paragraph (a)(8) of this section, shares held by any tax-qualified or non-tax qualified employee stock benefit plan of the association that are attributable to such persons shall not be counted;

(8) Provide that the aggregate amount of stock, whether common or preferred, acquired in the proposed issuance, plus all prior issuances of the association, by all non-tax-qualified employee stock benefit plans of the association, insiders of the association, and associates of insiders of the association, exclusive of any stock ac-

quired by said plans, insiders, and associates in the secondary market, shall not exceed thirty-five percent of the stockholders' equity of the association held by persons other than the association's mutual holding company parent at the close of the proposed issuance if the association has less than \$50 million in total assets prior to the issuance or twenty-five percent of such stockholders' equity if the association has more than \$500 million in total assets prior to the issuance. If the association has between \$50 million and \$500 million in total assets prior to the proposed issuance, the maximum percentage shall be equal to thirty-five percent minus one percent multiplied by the quotient of total assets less \$50 million divided by \$45 million. (See example calculation set forth in §563b.3(c)(8) of this chapter.);

(9) Provide that the issuance shall be conducted in compliance with 12 CFR part 563g and, to the extent applicable, 12 CFR 563b.102;

(10) Provide that the sales price of the shares of stock to be sold in the issuance shall be a uniform price determined in accordance with §575.7 of this part;

(12) Provide that, if at the close of the stock issuance the association has more than one hundred shareholders of any class of stock, the association shall use its best efforts to:

(i) Encourage and assist a market maker to establish and maintain a market for that class of stock; and

(ii) List that class of stock on a national or regional securities exchange or on the NASDAQ quotation system;

(13) Provide that, for a period of three years following the proposed issuance, no insider of the association or his or her associates shall purchase, without the prior written approval of the OTS, any stock of the association except from a broker dealer registered

with the Securities and Exchange Commission, except that the foregoing restriction shall not apply to:

(i) Negotiated transactions involving more than one percent of the outstanding stock in the class of stock; or

(ii) Purchases of stock made by and held by any tax-qualified or non-tax-qualified employee stock benefit plan of the association even if such stock is attributable to insiders of the association or their associates;

(14) Provide that stock purchased by insiders of the association and their associates in the proposed issuance shall not be sold for a period of at least one year following the date of purchase, except in the case of death of the insider or associate;

(15) Provide that, in connection with stock subject to restriction on sale for a period of time:

(i) Each certificate for such stock shall bear a legend giving appropriate notice of such restriction;

(ii) Appropriate instructions shall be issued to the association's transfer agent with respect to applicable restrictions on transfer of such stock; and

(iii) Any shares issued as a stock dividend, stock split, or otherwise with respect to any such restricted stock shall be subject to the same restrictions as apply to the restricted stock;

(16) Provide that the association will not offer or sell any of the stock proposed to be issued to any person whose purchase would be financed by funds loaned, directly or indirectly, to the person by the association;

(18) Provide that the expenses incurred in connection with the issuance shall be reasonable;

(19) Provide that the Stock Issuance Plan, if proposed as part of a Reorganization Plan, may be amended or terminated in the same manner as the Reorganization Plan. Otherwise, the Stock Issuance Plan shall provide that it may be substantively amended by the board of directors of the issuing association as a result of comments from regulatory authorities or otherwise

prior to approval of the Plan by the OTS, and at any time thereafter with the concurrence of the OTS; and that the Stock Issuance Plan may be terminated by the board of directors at any time prior to approval of the Plan by the OTS, and at any time thereafter with the concurrence of the OTS;

(20) Provide that, unless an extension is granted by the OTS, the Stock Issuance Plan shall be terminated if not completed within 90 days of:

(i) The date of such approval; or

(ii) For stock issuances subject to the offering circular requirements of part 563g of this chapter, the date on which the offering circular was declared effective by the OTS; and

(21) Provide that the association may make scheduled discretionary contributions to a tax-qualified employee stock benefit plan provided such contributions do not cause the association to fail to meet any of its regulatory capital requirements.

(b) *Optional provisions.* A Stock Issuance Plan may:

(1) Provide that, in the event the proposed stock issuance is part of a Reorganization Plan, the stock offering may be commenced concurrently with or at any time after the mailing to the members of the reorganizing association and any acquiree association of any proxy statement(s) authorized for use by the OTS. The offering may be closed before the required membership vote(s), provided the offer and sale of the stock shall be conditioned upon the approval of the Reorganization Plan and Stock Issuance Plan by the members of the reorganizing association and any acquiree association;

(2) Provide that any insignificant residue of stock of the association not sold in the offering may be sold in such other manner as provided in the Stock Issuance Plan, with the OTS's approval;

(4) Provide that the association may reserve shares representing up to ten percent of the proposed offering for issuance in connection with an employee stock benefit plan.

**§ 575.9 Charters and bylaws for mutual holding companies and their savings association subsidiaries.**

(a) *Charters and bylaws for mutual holding companies*—(1) *Charters*. The charter of a mutual holding company shall be in the form set forth in this paragraph (a)(1) and may include any of the additional provisions permitted pursuant to paragraph (a)(2) of this section.

CHARTER

*Section 1: Corporate title.* The name of the mutual holding company is \_\_\_\_\_ (the “Mutual Company”).

*Section 2: Duration.* The duration of the Mutual Company is perpetual.

*Section 3: Purpose and powers.* The purpose of the Mutual Company is to pursue any or all of the lawful objectives of a federal mutual savings and loan holding company chartered under section 10(o) of the Home Owners’ Loan Act, 12 U.S.C. 1467a(o), and to exercise all of the express, implied, and incidental powers conferred thereby and all acts amendatory thereof and supplemental thereto, subject to the Constitution and the laws of the United States as they are now in effect, or as they may hereafter be amended, and subject to all lawful and applicable rules, regulations, and orders of the Office of Thrift Supervision (“OTS”).

*Section 4: Capital.* The Mutual Company shall have no capital stock.

*Section 5: Members.* [The content of this section 5 shall be identical to the content of the parallel section in the charter of the reorganizing association, with the following exceptions: (A) Any provisions conferring membership rights upon borrowers of the reorganizing association shall be eliminated and replaced with provisions grandfathering those rights in accordance with 12 CFR 575.5; and (B) appropriate changes shall be made to indicate that membership rights in the mutual holding company derive from deposit accounts in and, to the extent of any grandfather provisions, borrowings from the resulting association. Set forth below is an example of how section 5 should appear in the charter of a mutual holding company formed by a reorganizing association whose charter conforms to the model charter prescribed for federal mutual savings associations for calendar year 1989. Additional changes to this section 5 may be required whenever a mutual holding company reorganization involves an acquire association, or a mutual holding

company makes a post-reorganization acquisition of a mutual savings association, so as to preserve the membership rights of the members of the acquired association consistent with 12 CFR 575.5.]

All holders of the savings, demand, or other \_\_\_\_\_ authorized accounts of \_\_\_\_\_ [insert the name of the resulting association] (the “Association”) are members of the Mutual Company. With respect to all questions requiring action by the members of the Mutual Company, each holder of an account in the Association shall be permitted to cast one vote for each \$100, or fraction thereof, of the withdrawal value of the member’s account. In addition, borrowers from the Association as of \_\_\_\_\_ [insert the date of the reorganization or any earlier date as of which new borrowings ceased to result in membership rights] shall be entitled to one vote for the period of time during which such borrowings are in existence. [The foregoing sentence should be included only if the charter of the reorganizing association confers voting rights on any borrowers.] No member, however, shall cast more than one thousand votes. All accounts shall be non-assessable.

*Section 6: Directors.* The Mutual Company shall be under the direction of a board of directors. The authorized number of directors shall not be fewer than five nor more than fifteen, as fixed in the Mutual Company’s bylaws, except that the number of directors may be decreased to a number less than five or increased to a number greater than fifteen with the prior approval of the Director of the Office or his or her delegate.

*Section 7: Capital, surplus, and distribution of earnings.* [The content of this section 7 shall be identical to the content of the parallel section in the charter of the reorganizing association, except for changes made to indicate that distribution rights in the mutual holding company derive from deposit accounts in the resulting association, any changes required to provide that the Director of the OTS shall be the approving authority in instances where the charter requires regulatory approval of distributions, and any other changes necessary to accommodate the mutual holding company format. Set forth below is an example of how section 7 should appear in the charter of a mutual holding company formed by a reorganizing association whose charter conforms to the model charter prescribed for federal mutual savings associations for calendar year 1989. Additional changes to this section 7 may be required whenever a mutual holding company reorganization involves an acquiree association, or a mutual holding company makes a post-reorganization acquisition of a mutual savings association, so as to preserve the membership rights of the members of the acquired association consistent with 12 CFR 575.5.]
