(c) *Loans which are secured by first liens on real estate* means loans on the security of any instrument (whether a mortgage, deed of trust, or land contract) which makes the interest in real estate (whether in fee, or in a leasehold or subleasehold extending, or renewable, automatically or at the option of the holder or the lender, for a period of at least 5 years beyond the maturity of the loan) specific security for the payment of the obligation secured by the instrument: *Provided*, That the instrument is of such a nature that, in the event of default, the real estate described in the instrument could be subjected to the satisfaction of the obligation with the same priority as a first mortgage of a first deed of trust in the jurisdiction where the real estate is located.
