(b) When two or more associations agree to transfer territory, each association shall submit a proposal to the district bank containing the following:

(1) A statement of the reasons for the proposed transfer and the impact the transfer will have on its stockholders and holders of participation certificates;

The bank shall concurrently advise the Farm Credit Administration of its recommendation regarding the proposed territory transfer. Following review by the bank, the associations shall transmit the proposal to the Farm Credit Administration together with all required documents.

(d) Upon receipt of an association's request to transfer territory, the Farm

Credit Administration shall review the request and either deny or give preliminary approval to the request. When a request is denied, written notice stating the reasons for the denial shall be transmitted to the associations, and a copy provided to the bank. When a request is preliminarily approved, written notice of the preliminary approval shall be transmitted to the associations, and a copy provided to the bank. Preliminary approval by the Farm Credit Administration shall not constitute approval of the territory transfer. Final approval shall be granted only in accordance with paragraph (h) of this section.

(e) Upon receipt of preliminary approval by the Farm Credit Administration, each constituent association shall, by written notice, and in accordance with its bylaws, call a meeting of its voting stockholders. (g) No bank or association, or director, officer, or employee thereof, shall make any untrue or misleading statement of a material fact, or fail to disclose any material fact necessary under the circumstances to make statements made not misleading, to a stockholder of any association in connection with a territory transfer.

(h) Upon approval of a proposed territory transfer by the stockholders of the constituent associations, a certified copy of the stockholders' resolution for each constituent association and one executed Agreement to Transfer Territory shall be forwarded to the Farm Credit Administration. The territory transfer shall be effective when thereafter finally approved and on the date as specified by the Farm Credit Administration. Notice of final approval shall be transmitted to the associations and a copy provided to the bank.

(i) No director, officer, or employee of a bank or an association shall make an oral or written representation to any person that a Preliminary or final approval by the Farm Credit Administration of a territory transfer constitutes, directly or indirectly, a recommendation on the merits of the transaction or an assurance concerning the adequacy or accuracy of any infor-

(j) The notice and accompanying information required under paragraph (f) of this section shall not be sent to stockholders until preliminary approval of the territory transfer has been granted by the Farm Credit Administration.

The Notice shall inform the borrower of the transfer of the borrower's loan to the transferee association and the exchange of related equities for equities of like kinds and amounts in the transferee association. If a like kind of equity is not available in the transferee association, similar equities shall be offered that will not adversely affect the interest of the owner. The Notice shall give the borrower 60 days from the effective date of the territory transfer to notify the transferor association in writing if the borrower decides to stay with the transferor association for normal servicing until the current loan is paid. Any application by the borrower for renewal or for additional credit shall be made to the transferee association, except as otherwise provided for by an agreement between associations in accordance with §614.4070 of this chapter.

(m) This section shall not apply to territory transfers initiated by order of the Chairman of the Farm Credit Administration or to territory transfers due to the liquidation of the transferor association.

(n) Where a proposed action involves the transfer of a portion of an association's territory to an association operating in a different district, such proposal must comply with the provisions

§ 611.1125
