§ 611.1215

(1) A certified copy of the termination resolution adopted pursuant to paragraph (a) of this section;

(2) A copy of the plan of termination as required under § 611.1230;

(3) An information statement that complies with the requirements of § 611.1225;

(4) All other information that is to be submitted to the stockholders and other equity holders in connection with the contemplated action; and

(5) Any additional information the board of directors wishes to submit to the Farm Credit Administration in support of the request or that the Farm Credit Administration requests.

(c) The terminating association shall provide the Farm Credit Administration with any material revisions to information in the plan of termination, including updated financial information, that becomes available during the pendency of the termination application and prior to termination.

§ 611.1212 Filing date of termination application.

(a) Except as provided in paragraph (c) of this section, the termination application will be given a filing date which shall be the date on which it is determined to be technically complete. Within 10 business days after the Farm Credit Administration receives the termination application, the Farm Credit Administration shall determine that the application is technically complete and give it a filing date, or return the application to the terminating association if it is incomplete. If the Farm Credit Administration fails to make a determination or to return the application before the end of the 10-day review period, the application shall be deemed to be technically complete and shall receive a filing date which is the last day of the 10-day review period.

(b) A termination application is considered to be technically complete when it is determined upon preliminary review to contain responses to all items required to be submitted to the Farm Credit Administration under § 611.1211.

(c) In the event the advance notification required in § 611.1210 is not re-

ceived by the Farm Credit Administration at least 60 days prior to the filing date which would otherwise be assigned to the termination application in accordance with paragraph (a) of this section, the filing date shall be the date that is 60 days following the date on which the terminating association first informs the Farm Credit Administration of the association's intention to terminate its Farm Credit status. During this 60-day period, the Farm Credit Administration shall contact other associations to determine their willingness to provide service to the territory of the terminating association or to determine if there are persons who wish to charter a new association to serve the territory. An inability of the Farm Credit Administration to arrange for a new service provider for the territory shall not be grounds for an extension of the 60-day period. However, the Farm Credit Administration may in its sole discretion reduce the required 60-day period in the event that a new service provider to serve the territory is determined. This paragraph shall not apply if the entire chartered territory of the terminating association is already included in the charter of one or more associations that are chartered to offer credit services of the same type as the terminating association.
