§613.3000 Financing for farmers, ranchers, and aquatic producers or harvesters.

(a) *Definitions.* For purposes of this subpart, the following definitions apply:

(1) *Bona fide farmer or rancher* means a person owning agricultural land or engaged in the production of agricultural products, including aquatic products under controlled conditions.

(2) *Legal entity* means any partnership, corporation, estate, trust, or other legal entity that is established pursuant to the laws of the United States, any State thereof, the Commonwealth of Puerto Rico, the District of Columbia, or any tribal authority and is legally authorized to conduct a business.

(3) *Person* means an individual who is a citizen of the United States or a foreign national who has been lawfully admitted into the United States either for permanent residency pursuant to 8 U.S.C. 1101(a)(20) or on a visa pursuant to a provision in 8 U.S.C. 1101(a)(15) that authorizes such individual to own property or operate or manage a business or a legal entity.

(4) *Producer or harvester of aquatic products* means a person engaged in producing or harvesting aquatic products for economic gain in open waters under uncontrolled conditions.

(b) *Eligible borrower.* Farm Credit institutions that operate under titles I or II of the Act may provide financing to a bona fide farmer or rancher, or producer or harvester of aquatic products for any agricultural or aquatic purpose and for other credit needs.

§613.3005 Lending objective.

It is the objective of each bank and association, except for banks for cooperatives, to provide full credit, to the extent of creditworthiness, to the full-time bona fide farmer (one whose primary business and vocation is farming,

ranching, or producing or harvesting aquatic products); and conservative credit to less than full-time farmers for agricultural enterprises, and more restricted credit for other credit requirements as needed to ensure a sound credit package or to accommodate a borrower's needs as long as the total credit results in being primarily an agricultural loan. However, the part-time farmer who needs to seek off-farm employment to supplement farm income or who desires to supplement off-farm income by living in a rural area and is carrying on a valid agricultural operation, shall have availability of credit for mortgages, other agricultural purposes, and family needs in the preferred position along with full-time farmers. Loans to farmers shall be on an increasingly conservative basis as the emphasis moves away from the full-time bona fide farmer to the point where agricultural needs only will be financed for the applicant whose business is essentially other than farming. Credit shall not be extended where investment in agricultural assets for speculative appreciation is a primary factor.

§ 613.3010 Financing for processing or marketing operations.

(a) *Eligible borrowers.* A borrower is eligible for financing for a processing or marketing operation under titles I and II of the Act, only if the borrower meets the following requirements:

(1) The borrower is either a bona fide farmer, rancher, or producer or harvester of aquatic products, or is a legal entity in which eligible borrowers under § 613.3000(b) own more than 50 percent of the voting stock or equity; and

(2) The borrower or an owner of the borrowing legal entity regularly produces some portion of the throughput used in the processing or marketing operation.

(b) *Portfolio restrictions for certain processing and marketing loans.* Processing or marketing loans to eligible borrowers who regularly supply less than 20 percent of the throughput are subject to the following restrictions:

(1) *Bank limitation.* The aggregate of such processing and marketing loans made by a Farm Credit bank shall not

exceed 15 percent of all its outstanding retail loans at the end of the preceding fiscal year.

(2) *Association limitation.* The aggregate of such processing and marketing loans made by all direct lender associations affiliated with the same Farm Credit bank shall not exceed 15 percent of the aggregate of their outstanding retail loans at the end of the preceding fiscal year. Each Farm Credit bank, in conjunction with all its affiliated direct lender associations, shall ensure that such processing or marketing loans are equitably allocated among its affiliated direct lender associations.

(3) *Calculation of outstanding retail loans.* For the purposes of this paragraph, "outstanding retail loans" includes loans, loan participations, and other interests in loans that are either bought without recourse or sold with recourse.

§ 613.3020 Financing for farm-related service businesses.

(a) *Eligibility.* An individual or legal entity that furnishes farm-related services to farmers and ranchers that are directly related to their agricultural production is eligible to borrow from a Farm Credit bank or association that operates under titles I or II of the Act.

(b) *Purposes of financing.* A Farm Credit Bank, agricultural credit bank, or direct lender association may finance:

(1) All of the farm-related business activities of an eligible borrower who derives more than 50 percent of its annual income (as consistently measured on either a gross sales or net sales basis) from furnishing farm-related services that are directly related to the agricultural production of farmers and ranchers; or

(2) Only the farm-related services activities of an eligible borrower who derives 50 percent or less of its annual income (as consistently measured on either a gross sales or net sales basis) from furnishing farm-related services that are directly related to the agricultural production of farmers and ranchers.

§ 613.3030 Rural home financing.
