The board of directors of each bank for cooperatives and agricultural credit bank shall adopt policies that ensure that exports of agricultural products and commodities, aquatic products, and farm supplies which originate from eligible cooperatives are financed on a priority basis. The total amount of balances outstanding on loans made under this paragraph shall not, at any time, exceed 50 percent of the capital of any bank for cooperatives or agricultural credit bank for loans that:

(2) A bank for cooperatives or agricultural credit bank shall not finance the relocation of any plant or facility from the United States to a foreign country.

(2) *Similar entity* means a party that is ineligible for a loan from a Farm Credit bank or association, but has operations that are functionally similar to the activities of eligible borrowers in that a majority of its income is derived from, or a majority of its assets are invested in, the conduct of activities that are performed by eligible borrowers.

(b) *Similar entity transactions.* A Farm Credit bank or a direct lender association may participate with a lender that is not a Farm Credit System institution in loans to a similar entity that is not eligible to borrow directly under §613.3000, 613.3010, 613.3020, 613.3100, or 613.3200, for purposes similar to those for which an eligible borrower could obtain financing from the participating FCS institution.

(c) *Restrictions.* Participations by a Farm Credit bank or association in loans to a similar entity under this section are subject to the following limitations:

(1) *Lending limits.*

(i) *Farm Credit banks operating under title I of the Act and direct lender associations.* The total amount of all loan participations that any Farm Credit bank, agricultural credit bank, or direct lender association has outstanding under paragraph (b) of this section to a single credit risk shall not exceed:

(1) No direct lender association shall participate in a loan to a similar entity under paragraph (b) of this section without the approval of its funding bank. A funding bank shall deny such requests only for safety and soundness reasons affecting the bank.

bank that, at the time the loan is made, has the greatest volume of loans made under title III of the Act in the State where the headquarters office of the similar entity is located.

(3) No bank for cooperatives or agricultural credit bank shall participate in a loan to a similar entity that is eligible to borrow under §613.3010 or 613.3020 without the prior consent of the Farm Credit bank(s) in whose chartered territory the similar entity conducts operations.
