

shall provide prompt written notice of the approval of the loan.

(3) Applicants shall be provided notification of the action taken on each credit application in compliance with the requirements of 12 CFR 202.9.

(b) *Security.* (1) Long-term real estate mortgage loans must be secured by a first lien interest in real estate, except that the loans may be secured by a second lien interest if the institution also holds the first lien on the property. No funds shall be advanced, under a legally binding commitment or otherwise, if the outstanding loan balance after the advance would exceed 85 percent (or 97 percent as provided in section 1.10(a) of the Act) of the appraised value of the real estate, except that a loan on which private mortgage insurance is obtained may exceed 85 percent of the appraised value of the real estate to the extent that the loan amount in excess of 85 percent is covered by such insurance. The real estate that is used to satisfy the loan-to-value limitation must be comprised primarily of agricultural or rural property, including agricultural land and improvements thereto, a farm-related business, a marketing or processing operation, a rural residence, or real estate used as an integral part of an aquatic operation.

(2) Notwithstanding the requirements of paragraph (b)(1) of this section, the lending institution may advance funds for the payment of taxes or insurance premiums with respect to the real estate, reschedule loan payments, grant partial releases of security interests in the real estate, and take other actions necessary to protect the lender's collateral position. Any action taken that results in exceeding the loan-to-value limitation shall be in accordance with a policy of the institution's board of directors and adequately documented in the loan file.

(3) Short- and intermediate-term loans may be secured or unsecured as the documented creditworthiness of the borrower warrants.

(4) In addition to the requirements in paragraph (b)(1) of this section, a long-term, non-farm rural home loan, including a revolving line of credit, shall be secured by a first lien on the property, except that it may be secured by

a second lien if the institution also holds the first lien on the property. A short- or intermediate-term loan on a rural home, including a revolving line of credit, must be secured by a lien on the property unless the financing is provided exclusively for repairs, remodeling, or other improvements to the rural home, in which case the loan may be secured by other property or unsecured if warranted by the documented creditworthiness of the borrower.

(5) Except as provided in § 614.4231, loans made under title III of the Act may be secured or unsecured, as appropriate for the purpose of the loan and the documented creditworthiness of the borrower.
