

(b) *Table funded loans.* A System institution that acquires a loan from a mortgage broker or other entity through table funding shall be considered to be making a loan for purposes of this part.

(c) *Exemptions.* The flood insurance requirement of paragraph (a) of this section does not apply with respect to:

(1) Any State-owned property covered under a policy of self-insurance satisfactory to the Director of FEMA, who publishes and periodically revises the list of States falling within this exemption; or

(2) Property securing any loan with an original principal balance of \$5,000 or less and a repayment term of one year or less.

§ 614.4935 Escrow requirement.

If a System institution requires the escrow of taxes, insurance premiums, fees, or any other charges for a loan secured by *residential* improved real estate or a mobile home that is made, increased, extended or renewed on or after October 4, 1996, the institution shall also require the escrow of all premiums and fees for any flood insurance required under § 614.4930. The institution, or a servicer acting on behalf of the institution, shall deposit the flood insurance premiums on behalf of the borrower in an escrow account. This escrow account will be subject to escrow requirements adopted pursuant to section 10 of the Real Estate Settlement Procedures Act of 1974 (12 U.S.C. 2609) (RESPA), which generally limits the amount that may be maintained in escrow accounts for certain types of loans and requires escrow account statements for those accounts, only if the loan is otherwise subject to RESPA. Following receipt of a notice from the Director of FEMA or other provider of flood insurance that premiums are due, the institution, or a servicer acting on behalf of the institution, shall pay the amount owed to the insurance provider from the escrow account by the date when such premiums are due.

§ 614.4940 Required use of standard flood hazard determination form.

(a) *Use of form.* System institutions shall use the standard flood hazard de-

termination form developed by the Director of FEMA (as set forth in Appendix A of 44 CFR part 65) when determining whether the building or mobile home offered as collateral security for a loan is or will be located in a special flood hazard area in which flood insurance is available under the 1968 Act. The standard flood hazard determination form may be used in a printed, computerized, or electronic manner.

(b) *Retention of form.* System institutions shall retain a copy of the completed standard flood hazard determination form, in either hard copy or electronic form, for the period of time the institution owns the loan.

§ 614.4945 Forced placement of flood insurance.

If a System institution, or a servicer acting on behalf of the institution, determines at any time during the term of a designated loan, that the building or mobile home and any personal property securing the designated loan are not covered by flood insurance or are covered by flood insurance in an amount less than the amount required under § 614.4930(a), then the institution or its servicer shall notify the borrower that the borrower should obtain flood insurance, at the borrower's expense, in an amount at least equal to the amount required under § 614.4930(a), for the remaining term of the loan. If the borrower fails to obtain flood insurance within 45 days after notification, then the institution or its servicer shall purchase insurance on the borrower's behalf. The institution or its servicer may charge the borrower for the cost of premiums and fees incurred in purchasing the insurance.

§ 614.4950 Determination fees.

(a) *General.* Notwithstanding any Federal or State law other than the 1973 Act, any System institution, or a servicer acting on behalf of the institution, may charge a reasonable fee for determining whether the building or mobile home securing the loan is located or will be located in a special flood hazard area. A determination fee may also include, but is not limited to, a fee for life-of-loan monitoring.

(b) *Borrower fee.* The determination fee authorized by paragraph (a) of this

section may be charged to the borrower if the determination:

(1) Is made in connection with a making, increasing, extending, or renewing of the loan that is initiated by the borrower;

(2) Reflects the Director of FEMA's revision or updating of floodplain areas or flood-risk zones;

(3) Reflects the Director of FEMA's publication of a notice or compendium that:

(i) Affects the area in which the building or mobile home securing the loan is located; or

(ii) By determination of the Director of FEMA, may reasonably require a determination whether the building or mobile home securing the loan is located in a special flood hazard area; or

(4) Results in the purchase of flood insurance coverage under §614.4945.

(c) *Purchaser or transferee fee.* The determination fee authorized by paragraph (a) of this section may be charged to the purchaser or transferee of a loan in the case of the sale or transfer of the loan.

§614.4955 Notice of special flood hazards and availability of Federal disaster relief assistance.

(a) *Notice requirement.* When a System institution makes, increases, extends, or renews a loan secured by a building or a mobile home located or to be located in a special flood hazard area, the institution shall mail or deliver a written notice containing the information specified in paragraph (b) of this section to the borrower and to the servicer of the loan. Notice is required whether or not flood insurance is available under the 1968 Act for the collateral securing the loan.

(b) *Contents of notice.* The written notice must include the following information:

(1) A warning, in a form approved by the Director of FEMA, that the building or the mobile home is or will be located in a special flood hazard area;

(2) A description of the flood insurance purchase requirements set forth in section 102(b) of the 1973 Act (42 U.S.C. 4012a(b));

(3) A statement, where applicable, that flood insurance coverage is avail-

able under the NFIP and also may be available from private insurers; and

(4) A statement whether Federal disaster relief assistance may be available in the event of damage to the building or the mobile home caused by flooding in a Federally declared disaster.

(c) *Timing of notice.* The institution shall provide the notice required by paragraph (a) of this section to the borrower within a reasonable time before the completion of the transaction, and to the servicer as promptly as practicable after the institution provides notice to the borrower and in any event no later than the time the institution provides other similar notices to the servicer concerning hazard insurance and taxes. Notice to the servicer may be made electronically or may take the form of a copy of the notice to the borrower.

(d) *Record of receipt.* Each institution shall retain a record of the receipt of the notices by the borrower and the servicer for the period of time the institution owns the loan.

(e) *Alternate method of notice.* Instead of providing the notice to the borrower required by paragraph (a) of this section, an institution may obtain satisfactory written assurance from a seller or lessor that, within a reasonable time before the completion of the sale or lease transaction, the seller or lessor has provided such notice to the purchaser or lessee. The institution shall retain a record of the written assurance from the seller or lessor for the period of time the institution owns the loan.

(f) *Use of prescribed form of notice.* An institution will be considered to be in compliance with the requirements of this section for notice to the borrower by providing written notice to the borrower containing the language presented in appendix A to this subpart within a reasonable time before the completion of the transaction. The notice presented in appendix A to this subpart satisfies the borrower notice requirements of the 1968 Act.

§614.4960 Notice of servicer's identity.

(a) *Notice requirement.* When a System institution makes, increases, extends,
