§615.5133 Investment management.

The board of directors of each Farm Credit Bank, bank for cooperatives, or agricultural credit bank shall adopt written policies regarding the management of the bank's investments that are consistent with the Farm Credit Act of 1971, Farm Credit Administration regulations, and all other applicable statutes and regulations. The board of directors shall also ensure that the bank's investments are safely and soundly managed in accordance with these written policies, and that appropriate internal controls are in place to preclude investment actions that undermine the solvency and liquidity of the bank. The board of directors shall not delegate its responsibility to oversee and review the investment practices of the bank. The board of directors of each Farm Credit Bank, bank for cooperatives, or agricultural credit bank shall, on an annual basis, review these policies, as well as the objectives and performance of the investment portfolio. At a minimum, the written policy should address:

(a) The purpose and objectives of the bank's investment portfolio;

(b) The liquidity needs of the bank pursuant to the requirements of §615.5134;

(c) Interest rate risk management pursuant to §615.5135;

(d) Permissible brokers, dealers, and institutions for investing bank funds and limitations consistent with §615.5140 of this subpart, and the amount of funds that shall be invested or placed with any broker, dealer or institution;

(e) The size and quality of the investment portfolio;

(f) Risk diversification of the investment portfolio;

(g) Delegation of authority to manage bank investments to specific personnel or committees and a statement about the extent of their authority and responsibilities;

(h) Controls to monitor the performance of the bank's investments and to prevent loss, fraud, embezzlement, and unauthorized investments. Quarterly reports about the performance of all investments in the portfolio shall be made to the board of directors.

(i) Controls on investments in MBSs, CMOs, REMICs, and ABSs that are consistent with either §§615.5140(a)(2) or 615.5140(a)(8)(ii) of this subpart, as applicable, including parameters concerning the maximum amount of exposure to each category in the investment portfolio, minimum pool sizes, minimum number of loans in a pool, geographic diversification of loans in a pool, maximum allowable premiums (particularly as related to CMOs, REMICs, and ARMs).

§615.5134 Liquidity reserve requirement.

(a) Each Farm Credit Bank, bank for cooperatives, and agricultural credit bank shall use cash and the eligible investments under §615.5140 of this subpart to maintain liquidity sufficient to fund:

(1) Fifty (50) percent of the bank's bonds, notes, Farm Credit Investment Bonds, and interest due within the next 90 days divided by 3;

(2) Fifty (50) percent of the bank's discount notes due within the next 30 days; and

(3) Fifty (50) percent of the bank's commercial bank borrowing due within the next 30 days.

(b) Each Farm Credit Bank, bank for cooperatives, and agricultural credit bank shall separately identify all investments that are held for the purpose of meeting its liquidity reserve requirement under this section. All investments held in the liquidity reserve shall be free of lien.

(c) The liquidity reserve requirement shall be calculated as of the last day of each month utilizing month end data.
