Subpart K—Surplus and Collateral Requirements

SOURCE: 62 FR 4447, Jan. 30, 1997, unless otherwise noted.

§ 615.5301 Definitions.

For the purposes of this subpart, the following definitions shall apply:

(a) The terms *institution*, *permanent capital*, *risk-adjusted asset base*, and *total capital* shall have the meanings set forth in §615.5201.

(b) *Core surplus*.

(1) Core surplus means:

(i) Undistributed earnings/ unallocated surplus less, for associations only, an amount equal to the net investment in the bank;

(ii) Nonqualified allocated equities that are not distributed according to an established plan or practice, *provided that*, in the event that a nonqualified patronage allocation is distributed, other than as required by section 4.14B of the Act, or in connection with a loan default or the death of an equityholder whose loan has been repaid (to the extent provided for in the institution's capital adequacy plan), any remaining nonqualified allocations that were allocated in the same year will be excluded from core surplus.

(iii) Perpetual common or noncumulative perpetual preferred stock that is not retired according to an established plan or practice, *provided that*, in the event that stock held by a borrower is retired, other than as required by sec-

tion 4.14B of the Act or in connection with a loan default to the extent provided for in the institution's capital plan, the remaining perpetual stock of the same class or series shall be excluded from core surplus;

(iv) A capital instrument or a particular balance sheet entry or account that the Farm Credit Administration has determined to be the functional equivalent of a component of core surplus. The Farm Credit Administration may permit an institution to include all or a portion of such instrument, entry, or account as core surplus, permanently or on a temporary basis, for purposes of this subpart.

(2) For associations only, other allocated equities may also be included in the core surplus ratio to the extent permitted by §615.5330(b) if the following conditions are met:

(i) The allocated equities are includable in total surplus; and

(ii) The allocated equities, if subject to revolvement, are not scheduled for revolvement during the next 3 years.

(3) The deductions required to be made by an institution in the computation of its permanent capital pursuant to §615.5210(e) (6) and (7) shall also be made in the computation of its core surplus.

(4) Core surplus shall not include equities held by other System institutions unless approved pursuant to paragraph (b)(1)(iv) of this section.

(5) The net impact of unrealized holding gains or losses on available-for-sale securities shall be excluded from core surplus.

(6) The Farm Credit Administration may, if it finds that a particular component, balance sheet entry, or account has characteristics or terms that diminish its contribution to an institution's ability to absorb losses, require the deduction of all or a portion of such component, entry, or account from core surplus.

(c) *Net collateral* means the value of a bank's collateral as defined by §615.5050 (except that eligible investments as described in §615.5140 are to be valued at their amortized cost), less an amount equal to that portion of the allocated investments of affiliated associations that is not counted as permanent capital by the bank.
