(b) Failure to respond within 30 days or such other time period as may be specified by the Farm Credit Administration shall constitute a waiver of any objections to the proposed capital directive.

### § 615.5358 Decision.

After the closing date of the institution's response period, or receipt of the institution's response, if earlier, the Farm Credit Administration may seek additional information or clarification of the response. Thereafter, the Farm Credit Administration will determine whether or not to issue a capital directive, and if one is to be issued, whether it should be as originally proposed or in modified form.

### § 615.5359 Issuance of a capital directive.

(a) A capital directive will be served by delivery to the institution. It will include or be accompanied by a statement of reasons for its issuance.

(b) A capital directive is effective immediately upon its receipt by the institution, or upon such later date as may be specified therein, and shall remain effective and enforceable until it is stayed, modified, or terminated by the Farm Credit Administration.

### § 615.5360 Reconsideration based on change in circumstances.

Upon a change in circumstances, an institution may request the Farm Credit Administration to reconsider the terms of its capital directive or may propose changes in the plan to achieve the institution's applicable minimum capital ratios. The Farm Credit Administration also may take such action on its own motion. The Farm Credit Administration may decline to consider requests or proposals that are not based on a significant change in circumstances or are repetitive or frivolous. Pending a decision on reconsideration, the capital direc-

### § 615.5361 Relation to other administrative actions.

A capital directive may be issued in addition to, or in lieu of, any other action authorized by law, including cease and desist proceedings, civil money penalties, or the conditioning or denial of applications. The Farm Credit Administration also may, in its discretion, take any action authorized by law, in lieu of a capital directive, in response to an institution's failure to achieve or maintain the applicable minimum capital ratios.
