(ii) In the case of a company that owns more than one national bank, a director may use his or her equity interest in the controlling company to satisfy, in whole or in part, the equity interest requirement for any or all of the controlled national banks.

(iii) Upon request, the OCC may consider whether other interests in a company controlling a national bank constitute an interest equivalent to \$1,000 par value of national bank stock.

(2) *Joint ownership and tenancy in common.* Shares held jointly or as a tenant in common are qualifying shares held by a director in his or her own right only to the extent of the aggregate value of the shares which the director would be entitled to receive on dissolution of the joint tenancy or tenancy in common.

(3) *Shares in a living trust.* Shares deposited by a person in a living trust (inter vivos trust) as to which the person is a trustee and retains an absolute power of revocation are shares owned by the person in his or her own right.

(4) *Other arrangements.* A director may also hold his or her qualifying interest through profit sharing plans, individual retirement accounts, retirement plans, and similar arrangements, provided the director retains beneficial ownership and legal control over the shares.

(c) *Non-qualifying ownership.* The following are not shares held by a director in his or her own right:
