

§ 704.11 Corporate Credit Union Service Organizations (Corporate CUSOs).

(a) A corporate CUSO is an entity that:

- (1) Is at least partly owned by a corporate credit union;
- (2) Primarily serves credit unions;
- (3) Restricts its services to those related to the normal course of business of credit unions; and
- (4) Is structured as a corporation, limited liability company, or limited partnership under state law.

(b) The aggregate of all investments in and loans to member and non member corporate CUSOs shall not exceed 15 percent of a corporate credit union's capital. However, a corporate credit union may loan to member and non member corporate CUSOs an additional 15 percent of capital if collateralized by assets in which the corporate credit union has perfected a security interest under state law. A corporate credit union may not use this authority to acquire control, directly or indirectly, of another financial institution, or to invest in shares, stocks, or obligations of another financial institution, insurance company, trade association, liquidity facility, or similar organization. A corporate CUSO must be operated as an entity separate from any credit union. A corporate credit union investing in or lending to a corporate CUSO must obtain a written legal opinion that the corporate CUSO is organized and operated in such a manner that the corporate credit union will not reasonably be held liable for the obligations of the corporate CUSO. This opinion must address factors that have led courts to "pierce the corporate veil," such as inadequate capitalization, lack of separate corporate identity, common boards of directors and employees, control of one entity over another, and lack of separate books and records.

(c) An official of a corporate credit union which has invested in or loaned to a corporate CUSO may not receive, either directly or indirectly, any salary, commission, investment income, or other income, compensation, or consideration from the corporate CUSO. This prohibition also extends to immediate family members of officials.

(d) Prior to making an investment in or loan to a corporate CUSO, a corporate credit union must obtain a written agreement that the corporate CUSO will:

- (1) Follow GAAP;
- (2) Provide financial statements to the corporate credit union at least quarterly;
- (3) Obtain an annual CPA opinion audit and provide a copy to the corporate credit union; and
- (4) Allow the auditor, board of directors, and NCUA complete access to its books, records, and any other pertinent documentation.

(e) Corporate credit union authority to invest in or loan to a CUSO is limited to that provided in this section. A corporate credit union is not authorized to invest in or loan to a CUSO under part 712 of this chapter.

§ 704.12 Services.

Except for correspondent services to a non member, natural person credit union branch office operating in the geographic area defined in the corporate credit union's charter, a corporate credit union may provide services only to its members, subject to the limitations of this part. A corporate credit union may not provide services to non members through agreements with other corporate credit unions or pursuant to § 701.26 of this chapter, except with the written permission of NCUA.

§ 704.13 Fixed assets.

(a) A corporate credit union's ownership in fixed assets shall be limited as described in § 701.36 of this chapter, except that in lieu of § 701.36(c)(1) through (4) of this chapter, paragraph (b) of this section applies.

(b) A corporate credit union may invest in fixed assets where the aggregate of all such investments does not exceed 15 percent of the corporate credit union's capital. A corporate credit union desiring to exceed the limitation shall submit a written request to NCUA. Requests shall be supplemented by such statements and reports as NCUA may require. If the corporate credit union does not receive notification of the action taken on its request
