**§ 707.4 Account disclosures.**

(a) *Delivery of account disclosures*—(1) *Account opening.* The credit union shall provide the account disclosures to the member or potential member before an account is opened or a service is provided, whichever is earlier. A credit union is deemed to have provided a service when a fee required to be disclosed is assessed. If the member is not present at the credit union when the account is opened or a service is provided and has not already received the disclosures, the credit union shall mail or deliver the disclosures no later than twenty calendar days after the account is opened or the service is provided, whichever is earlier.

(2) *Requests.* (i) A credit union shall provide the account disclosures to any member or potential member upon request. A credit union may provide the account disclosures to nonmembers in its sole discretion. If the member is not present at the credit union when the request is made, the credit union shall mail or deliver the disclosures within a reasonable time after it receives the request.

(ii) In providing disclosures upon request, the credit union may:

(A) Specify rates as follows:

(1) For dividend-bearing accounts other than term share accounts, specify a dividend rate and annual percentage yield as of the last dividend declaration date. In the event that disclosures of a dividend rate and annual percentage yield as of the last dividend declaration date might be inaccurate because of known or contemplated dividend rate changes, the credit union may disclose the prospective dividend rate and prospective annual percentage yield. Such prospective dividend rate and prospective annual percentage yield may be disclosed either in lieu of, or in addition to, the dividend rate and annual percentage yield as of the last dividend declaration date.

(2) For interest bearing accounts and for dividend-bearing term share accounts, specify an interest rate and annual percentage yield that were offered within the most recent seven calendar days; state that the rate and yield are accurate as of an identified date; and provide a telephone number members may call to obtain current rate information; and

(B) State the maturity of a term share account as either a term or a date.

(b) *Content of account disclosures.* Account disclosures shall include the following, as applicable:

(1) *Rate information*—(i) *Annual percentage yield and dividend rate.* (A) For interest-bearing accounts and for dividend-bearing term share accounts, the “annual percentage yield” and the “interest rate” (“dividend rate”), using those terms, and for fixed-rate accounts the period of time the interest (dividend) rate will be in effect.

(B) For dividend-bearing accounts other than term share accounts, a credit union shall specify a dividend rate and annual percentage yield (using those terms) as of the last dividend declaration date. In the event that disclosures of a dividend rate and annual percentage yield as of the last dividend declaration date might be inaccurate because of known or contemplated dividend rate changes, the credit union may disclose the prospective dividend rate and prospective annual percentage yield. Such prospective dividend rate and prospective annual percentage yield may be disclosed either in lieu of, or in addition to, the dividend rate and annual percentage yield as of the last dividend declaration date.

(ii) *Variable rates.* For variable-rate accounts:

(A) The fact that the dividend rate and annual percentage yield may change;

(B) How the dividend rate is determined;

(C) The frequency with which the dividend rate may change; and

(D) Any limitation on the amount the dividend rate may change.

(2) *Compounding and crediting*—(i) *Frequency.* The frequency with which dividends are compounded and credited,

and the dividend period for dividend-bearing accounts.

(ii) *Effect of closing an account.* If members will forfeit dividends if they close an account before accrued dividends are credited, a statement that the dividends will not be paid in such cases.

(3) *Balance information*—(i) *Minimum balance requirements.* Any minimum balance required to:

- (A) Open the account;
- (B) Avoid the imposition of a fee; or
- (C) Obtain the annual percentage yield disclosed.

Except for the balance to open the account, the disclosure shall state how the balance is determined for these purposes.

(ii) *Balance computation method.* An explanation of the balance computation method specified in § 707.7, used to calculate dividends on the account.

(iii) *When dividends begin to accrue.* A statement of when dividends begin to accrue on noncash deposits.

(4) *Fees.* The amount of any fee that may be imposed in connection with the account (or an explanation of how the fee will be determined) and the conditions under which the fee may be imposed.

(5) *Transaction limitations.* Any limitations on the number or dollar amount of withdrawals or deposits.

(6) *Features of term share accounts.* For term share accounts:

(i) *Time requirements.* The maturity date.

(ii) *Early withdrawal penalties.* A statement that a penalty will be imposed for early withdrawal, how it is calculated, and the conditions for its assessment.

(iii) *Withdrawal of dividends prior to maturity.* If compounding occurs and dividends may be withdrawn prior to maturity, a statement that the annual percentage yield assumes dividends remain in the account until maturity and that a withdrawal will reduce earnings. For accounts with a stated maturity greater than 1 year that do not compound dividends on an annual or more frequent basis, that require dividend payouts at least annually, and that disclose an APY determined in accordance with section E of appendix A of this part, a statement that dividends

cannot remain on account and that payout of dividends is mandatory.

(iv) *Renewal policies.* A statement of whether or not the account will renew automatically at maturity. If it will, a statement of whether or not a grace period will be provided and, if so, the length of that period must be stated. If the account will not renew automatically, a statement of whether dividends will be paid after maturity if the member does not renew the account must be stated.

(7) *Bonuses.* The amount or type of any bonus, when the bonus will be provided, and any minimum balance and time requirements to obtain the bonus.

(8) *Nature of dividends.* For accounts earning dividends, other than term share accounts, a statement that dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.

(c) *Notice to existing account holders*—

(1) *Notice of availability of disclosures.* Credit unions shall provide a notice to members who receive periodic statements and who hold existing accounts of the type offered by the credit union on January 1, 1995. The notice shall be included on or with the first periodic statement sent after January 1, 1995 (or on or with the first periodic statement for a statement cycle beginning on or after that date). The notice shall state that the members may request account disclosures containing terms, fees, and rate information for the account. In responding to such a request, credit unions shall provide disclosures in accordance with paragraph (a)(2) of this section.

(2) *Alternative to notice.* As an alternative to the notice described in paragraph (c)(1) of this section, credit unions may provide account disclosures to members. The disclosures may be provided either with a periodic statement or separately, but must be sent no later than when the periodic statement described in paragraph (c)(1) of this section is sent.
