

at the time the service under 12 CFR 701.14 was approved.

(c) *Duration of interlock.* An interlock permitted under this section may continue until NCUA notifies the affected depository organizations otherwise. NCUA may require a credit union to terminate any interlock permitted under this section if NCUA concludes, after giving the affected persons the opportunity to respond, that the determinations under paragraph (a)(2) of this section no longer may be made. A management official may continue serving the depository organization involved in the interlock for a period of 15 months following the date of the order to terminate the interlock. NCUA may shorten this period under appropriate circumstances.

§ 711.6 Management Consignment exemption.

(a) *Criteria.* NCUA may permit an interlock that otherwise would be prohibited by the Interlocks Act and § 711.3 if NCUA, after reviewing an application submitted by the depository organization seeking an exemption, determines that the interlock would:

- (1) Improve the provision of credit to low- and moderate-income areas;
- (2) Increase the competitive position of a minority- or women-owned depository organization;
- (3) Strengthen the management of a depository institution that has been chartered for less than two years at the time an application is filed under this part; or
- (4) Strengthen the management of a depository institution that is in an unsafe or unsound condition as determined by NCUA on a case-by-case basis.

(b) *Presumptions.* NCUA applies the following presumptions when reviewing any application for a Management Consignment exemption:

- (1) A proposed management official is capable of strengthening the management of a depository institution described in paragraph (a)(3) of this section if that official is approved by NCUA to serve as a director or senior executive officer of that institution pursuant to 12 CFR 701.14 or pursuant to conditions imposed on a newly chartered credit union and the institution

had operated for less than two years at the time the service under 12 CFR 701.14 was approved; and

(2) A proposed management official is capable of strengthening the management of a depository institution described in paragraph (a)(4) of this section if that official is approved by NCUA to serve as a director or senior executive officer of that institution pursuant to 12 CFR 701.14 and the institution was in a “troubled condition” as defined under 12 CFR 701.14 at the time service under that section was approved.

(c) *Duration of interlock.* An interlock granted under this section may continue for a period of two years from the date of approval. NCUA may extend this period for one additional two-year period if the depository organization applies for an extension at least 30 days before the current exemption expires and satisfies one of the criteria specified in paragraph (a) of this section. The provisions set forth in paragraph (b) of this section also apply to applications for extensions.

§ 711.7 Change in circumstances.

(a) *Termination.* A management official shall terminate his or her service or apply for an exemption to the Interlocks Act if a change in circumstances causes the service to become prohibited under that Act. A change in circumstances may include, but is not limited to, an increase in asset size of an organization, a change in the delineation of the RMSA or community, the establishment of an office, an acquisition, a merger, a consolidation, or any reorganization of the ownership structure of a depository organization that causes a previously permissible interlock to become prohibited.

(b) *Transition period.* A management official described in paragraph (a) of this section may continue to serve the depository organization involved in the interlock for 15 months following the date of the change in circumstances. NCUA may shorten this period under appropriate circumstances.

§ 711.8 Enforcement.

Except as provided in this section, NCUA administers and enforces the

Interlocks Act with respect to federally insured credit unions, and may refer any case of a prohibited interlocking relationship involving these entities to the Attorney General of the United States to enforce compliance with the Interlocks Act and this part.

§ 712.1 What does this part cover?

This part establishes when a Federal credit union (FCU) can invest in and make loans to CUSOs. CUSOs are subject to review by NCUA. This part does not apply to corporate credit unions that have CUSOs subject to § 704.11 of this title. This part does not apply to state-chartered credit unions or the subsidiaries of state-chartered credit unions that do not have FCU investments or loans.

§ 712.2 How much can an FCU invest in, or loan to, CUSOs, and what parties may be involved?

(a) *Investments.* An FCU's total investments in CUSOs must not exceed, in the aggregate, 1% of its paid-in and unimpaired capital and surplus as of its last calendar year-end financial report. For purposes of paragraphs (a) and (b) of this section, "paid-in and unimpaired capital and surplus" means shares and undivided earnings. An FCU

can only invest in a CUSO as an equityholder of a corporation, as a member of a limited liability company, or as a limited partner of a limited partnership.

(b) *Loans.* An FCU's total loans to CUSOs must not exceed, in the aggregate, 1% of its paid-in and unimpaired capital and surplus as of its last calendar year-end financial report. Loan authority is independent and separate from the 1% investment authority of subsection (a) of this section.

(c) *Parties.* An FCU may invest in, or loan to, a CUSO by itself, or with other credit unions, or with non-depository institution parties not otherwise prohibited by § 712.6 of this part.

§ 712.3 What are the characteristics of and what requirements apply to CUSOs?

(a) *Structure.* An FCU can invest in or loan to a CUSO only if the CUSO is structured as a corporation, limited liability company, or limited partnership. For purposes of this part, "corporation" means a legally incorporated corporation as established and maintained under relevant state law. For purposes of this part, "limited partnership" means a legally established limited partnership as established and maintained under relevant state law. For purposes of this part, "limited liability company" means a legally established limited liability company as established and maintained under relevant state law, provided that the FCU obtains written legal advice that the limited liability company is a recognized legal entity under the applicable laws of the state of formation and that the limited liability company is established in a manner that will limit potential exposure of the FCU to no more than the amount of funds invested in, or loaned to, the CUSO.

(b) *Customer base.* An FCU can invest in or loan to a CUSO only if the CUSO primarily serves credit unions, its membership, or the membership of credit unions contracting with the CUSO. However, if in order for the CUSO to provide a permissible service it is necessary for the CUSO to own stock in a service provider not meeting the customer base requirement, then
