

the CUSO can buy and own the minimal amount of service provider stock necessary to provide the service without violating the customer base requirement.

(c) *Federal credit union accounting.* An FCU must account for its investments in or loans to a CUSO in conformity with “generally accepted accounting principles” (GAAP).

(d) *CUSO accounting; audits and financial statements; NCUA access to information.* An FCU must obtain written agreements from a CUSO, prior to investing in or lending to the CUSO, that the CUSO will:

(1) Account for all its transactions in accordance with GAAP;

(2) Prepare quarterly financial statements and obtain an annual opinion audit, by a licensed Certified Public Accountant, on its financial statements in accordance with “generally accepted auditing standards” (GAAS); and

(3) Provide NCUA and its representatives with complete access to any books and records of the CUSO and the ability to review CUSO internal controls, as deemed necessary by NCUA in carrying out its responsibilities under the Act.

(e) *Other laws.* A CUSO must comply with applicable Federal, state and local laws.

**§ 712.4 What must an FCU and a CUSO do to maintain separate corporate identities?**

(a) *Corporate separateness.* An FCU and a CUSO must be operated in a manner that demonstrates to the public the separate corporate existence of the FCU and the CUSO. Good business practices dictate that each must operate so that:

(1) Its respective business transactions, accounts, and records are not intermingled;

(2) Each observes the formalities of its separate corporate procedures;

(3) Each is adequately financed as a separate unit in the light of normal obligations reasonably foreseeable in a business of its size and character;

(4) Each is held out to the public as a separate enterprise;

(5) The FCU does not dominate the CUSO to the extent that the CUSO is

treated as a department of the FCU; and

(6) Unless the FCU has guaranteed a loan obtained by the CUSO, all borrowings by the CUSO indicate that the FCU is not liable.

(b) *Legal opinion.* Prior to an FCU investing in a CUSO, the FCU must obtain written legal advice as to whether the CUSO is established in a manner that will limit potential exposure of the FCU to no more than the loss of funds invested in, or lent to, the CUSO. In addition, if a CUSO in which an FCU has an investment plans to change its structure under § 712.3(a), an FCU must also obtain prior, written legal advice that the CUSO will remain established in a manner that will limit potential exposure of the FCU to no more than the loss of funds invested in, or loaned to, the CUSO. The legal advice must address factors that have led courts to “pierce the corporate veil” such as inadequate capitalization, lack of separate corporate identity, common boards of directors and employees, control of one entity over another, and lack of separate books and records. The legal advice may be provided by independent legal counsel of the investing FCU or the CUSO.

**§ 712.5 What activities and services are preapproved for CUSOs?**

NCUA may at any time, based upon supervisory, legal, or safety and soundness reasons, limit any CUSO activities or services, or refuse to permit any CUSO activities or services. Otherwise, an FCU may invest in, loan to, and/or contract with only those CUSOs that are sufficiently bonded or insured for their specific operations and only provide one or more of the following activities and services related to the routine, daily operations of credit unions:

(a) *Checking and currency services:*

(1) Check cashing;

(2) Coin and currency services; and

(3) Money order, savings bonds, travelers checks, and purchase and sale of U.S. Mint commemorative coins services;

(b) *Clerical, professional and management services:*

(1) Accounting services;

(2) Courier services;

(3) Credit analysis;
