announcement or solicitation. The concern must indicate in any SBIR proposal or application that it is registered with SBA as majority-owned by multiple venture capital operating companies, hedge funds, or private equity firms.

(c) A small business concern that did not meet the requirements of paragraph (b) of this section at the time of its SBIR proposal or application must notify the funding agreement officer if, on the date of award, the concern is more than 50% owned by multiple venture capital operating companies, hedge funds, or private equity firms.

(1) The concern is still eligible to receive the award if it becomes majority-owned by multiple venture capital operating companies, hedge funds, or private equity firms after the time it submitted its initial proposal (or other formal response) to a Phase I or Phase II SBIR announcement or solicitation if the agency makes the award on or after the date that is 9 months from the end of the period for submitting applications under the SBIR solicitation.

(2) This small business, known as a covered small business concern, would have to certify that it meets the requirements of the SBIR program set forth in §§ 121.702(a)(1)(ii) or 121.702(a)(1)(iii), and 121.702(a)(2) and 121.702(c) at the time of award of the funding agreement.

(d) A funding agreement officer may accept a concern's self-certification as true for the particular funding agreement involved in the absence of a written protest or other credible information which would cause the funding agreement officer or SBA to question the size or eligibility of the concern.

(e) Procedures for protesting an awardee's self-certification are set forth in §§ 121.1001 through 121.1009. In adjudicating a protest, SBA may address both the size status and eligibility of the SBIR or STTR awardee.
