

(c) In the absence of credible information indicating otherwise, the Patent and Trademark Office may accept the verification by the concern as a small business as true.

(d) Questions concerning the size verification are resolved initially by the Patent and Trademark Office. If not verified as small, the applicant may request a formal SBA size determination.

SIZE ELIGIBILITY REQUIREMENTS FOR COMPLIANCE WITH PROGRAMS OF OTHER AGENCIES

§ 121.901 Can other Government agencies obtain SBA size determinations?

Upon request by another Government agency, SBA will provide a size determination, under SBA rules, standards and procedures, for its use in determining compliance with small business requirements of its statutes, regulations or programs.

§ 121.902 What size standards are applicable to programs of other agencies?

SBA size standards. The size standards for compliance with programs of other agencies are those for SBA programs which are most comparable to the programs of such other agencies, unless the agency and SBA agree otherwise.

[67 FR 13716, Mar. 26, 2002]

§ 121.903 How may an agency use size standards for its programs that are different than those established by SBA?

(a) Federal agencies or departments promulgating regulations relating to small businesses usually use SBA size criteria. In limited circumstances, if they decide the SBA size standard is not suitable for their programs, then agency heads may establish a more appropriate small business definition for the exclusive use in such programs, but only when:

(1) The size standard will determine:

(i) The size of a manufacturing concern by its average number of employees based on the preceding 24 calendar months, determined according to § 121.106;

(ii) The size of a services concern by its average annual receipts over a period of at least 5 years, determined according to § 121.104;

(iii) The size of other concerns on data over a period of at least 5 years, determined according to § 121.104; or,

(iv) Other factors approved by SBA;

(2) The agency has consulted in writing with SBA's Division Chief, office of Size Standards at least fourteen (14) calendar days before publishing the proposed rule which is part of the rule-making process. The written consultation will include:

(i) What size standard the agency contemplates using;

(ii) To what agency program it will apply;

(iii) How the agency arrived at this particular size standard for this program; and,

(iv) Why SBA's existing size standards do not satisfy the program requirements;

(3) The agency proposes the size standard for public comment pursuant to the Administrative Procedure Act, 5 U.S.C. 553;

(4) The agency provides a copy of the proposed rule, when it publishes it for public comment as part of the rule-making process, to SBA's Division Chief, Office of Size Standards; and

(5) SBA's Administrator approves the size standard before the agency adopts a final rule or otherwise prescribes the size standard for its use. The agency's request for the SBA Administrator's approval must include:

(i) Copies of all comments on the proposed size standard received in response to the proposed rule;

(ii) A separate written justification for the intended size standard;

(iii) A copy of the intended final rule if available at that time, or a copy of the intended final rule and preamble prior to its publication; and

(iv) Other information SBA may request in connection with the request.

(b) When approving any size standard established pursuant to this section, SBA's Administrator will ensure that the size standard varies from industry to industry to the extent necessary to reflect the differing characteristics of the various industries, and consider other relevant factors.
