§ 304.1 General selection process and evaluation criteria for programs under PWEDA.

EDA has established a streamlined and uniform selection process based upon a short proposal and standardized application form with attachments as applicable to each particular program. Additional information if any, is set forth in program specific parts/sections. EDA applies uniform evaluation criteria to all programs, as well as evaluation criteria which are set forth in parts 305, 307 and 308 of this chapter.

(a) The selection process is described as follows:

(1) For projects to be funded under parts 305, 307 and 308 of this chapter proponents will submit forms to EDA during the selection process as follows:

(i) There will be a brief proposal on the OMB approved form, number 0610-0094, consisting of the face sheet (SF-424) and two additional pages, except for projects under part 307, subparts C and D, of this chapter for which proponents may include more than two pages if necessary to provide adequate information to EDA upon which to make an informed determination whether to invite a more comprehensive proposal and application, including for example, budget, scope of work and capability statements.

(ii) There will be a standard application for all programs which will include an additional attachment for each program as appropriate.

(2) For projects to be funded under part 307—Subparts A, B, E and F and parts 305 and 308 of this chapter, requirements are as follows:
