

§ 1307.7

(ii) Be available for public inspection after approval by TVA (or at any earlier time required by state or local law applicable to the recipient);

(iii) Identify the official responsible for implementation of the approved plan; and

(iv) Specify the date by which the required alterations or changes shall be completed, which shall be as soon as practicable and in no event later than three years after the effective date that financial assistance is extended by TVA.

(3) Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to be readily accessible to and usable by handicapped persons.

(c) *Historic property.* If a recipient's program or activity uses an existing facility which is an historic property, the recipient shall endeavor to assure compliance with paragraph (b)(1) of this section by compliance methods which do not alter the historic character or architectural integrity of the historic property. The recipient must determine that program accessibility cannot be accomplished by such alternative methods before considering building alterations as a compliance method. To the maximum extent possible any building alterations determined to be necessary shall be undertaken so as not to alter or destroy architecturally significant elements or features. A recipient may determine that structural changes are necessary to accomplish program accessibility only if the recipient has determined that accessibility cannot feasibly be accomplished by any of the other foregoing methods. To the maximum extent possible, any structural changes determined to be necessary shall be undertaken so as not to alter or destroy architecturally significant elements or features.

(d) *New construction.* (1) New facilities required under a program subject to this part shall be designed and constructed to be readily accessible to and usable by handicapped persons.

(2) Effective as of November 4, 1988, design, construction, or alteration of buildings in conformance with Sections 3-8 of the Uniform Federal Accessibility Standards (UFAS) (41 CFR Subpart 101-19.6 app. A) shall be deemed to

18 CFR Ch. XIII (4-1-00 Edition)

comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(3) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of physically handicapped persons.

(4) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

§ 1307.7 Assurances required.

(a) TVA contributes financial assistance only under agreements which contain a provision which specifically requires compliance with this part and compliance with such standards for construction and alteration of facilities as TVA may provide. If the financial assistance involves the furnishing of real property, the agreement shall obligate the recipient, or the transferee in the case of a subsequent transfer, for the period during which the real property is used for a purpose for which the financial assistance is extended or for another purpose involving the provision of similar services or benefits. Where the financial assistance involves the furnishing of personal property, the agreement shall obligate the recipient during the period for which ownership or possession of the property is retained. In all other cases the agreement shall obligate the recipient for the period during which financial assistance is extended pursuant to the agreement. TVA shall specify the form of the foregoing agreement, and the extent to which an agreement shall be applicable to subcontractors, transferees, successors in interest, and other participants in the program.

(b) In the case of real property, structures or improvements thereon, or interests therein, acquired through a program of TVA financial assistance, or in the case where financial assistance was provided in the form of a transfer by TVA of real property or interest therein, the instrument effecting or recording the transfer of title shall contain a covenant running with the land assuring compliance with this part and the guidelines contained herein for the period during which the real property is used for a purpose for which the TVA financial assistance is extended or for another purpose involving the provision of similar services or benefits. Where no transfer of property is involved, but property is improved under a program of TVA financial assistance, the recipient shall agree to include such a covenant in any subsequent transfer of such property. Where the property is obtained by transfer from TVA, the covenant against discrimination may also include a condition coupled with a right to be reserved by TVA to revert title to the property in the event of a breach of the covenant where, in the discretion of TVA, such a condition and right of reverter is appropriate to the program under which the real property is obtained and to the nature of the grant and the grantee. In such event, if a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on such property for the purposes for which the property was transferred, TVA may agree, upon request of the transferee and if necessary to accomplish such financing, and upon such conditions as it deems appropriate, to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

§ 1307.8 Compliance information.

(a) *Cooperation and assistance.* TVA shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient shall keep such records and submit to TVA timely, complete and accurate compliance reports at such times, and in such form and containing such information, as TVA may determine to be necessary to enable it to ascertain whether the recipient has complied or is complying with this part. In the case of any program under which a primary recipient extends financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part.

(c) *Access to sources of information.* Each recipient shall permit access by TVA during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities, as TVA may require to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and set forth the efforts it has made to obtain the information.

(d) *Information to employees, beneficiaries and participants.* Each recipient shall make available to employees, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program under which the recipient receives financial assistance, and shall make such information available to them in such manner, as TVA finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this part.

§ 1307.9 Conduct of investigations.

(a) *Periodic compliance reviews.* TVA shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) *Complaints.* Any individual who claims (individually or on behalf of any specific class of individuals) to have been subjected to discrimination prohibited by this part may, personally or
