

§ 401.7

consideration of any proposal, the Executive Director may require such additional information as may be needed. Review or consideration of such proposals shall be based upon the recommendation of the Executive Director and the further direction of the Commission.

§ 401.7 Further action.

The Commission will review the Comprehensive Plan in its entirety at least once every six years from the date of the initial adoption of the Comprehensive Plan (March 28, 1962). Such review may include consideration of proposals submitted by the signatory parties, agencies or political subdivision thereof or other interested parties. The amendments, additions, and deletions adopted by the Commission will be compiled and the Plan as so revised shall be made available for public inspection.

§ 401.8 Public projects under Article 11 of the Compact.

(a) After a project of any federal, state or local agency has been included in the Comprehensive Plan, no further action will be required by the Commission or by the agency to satisfy the requirements of Article 11 of the Compact, except as the Comprehensive Plan may be amended or revised pursuant to the Compact and this part. Any project which is changed substantially from the project as described in the Comprehensive Plan will be deemed to be a new and different project for the purposes of Article 11 of the Compact. Whenever a change is made the sponsor shall advise the Executive Director who will determine whether the change is deemed substantial within the meaning of this part.

(b) Any public project not having a substantial effect on the water resources of the Basin, as defined in subpart C of this part, may proceed without reference to Article 11 of the Compact.

§ 401.9 Custody and availability.

The Comprehensive Plan shall be and remain in the custody of the Executive Director. The Plan, including all maps, charts, description and supporting data shall be and remain a public record

open to examination during the regular business hours of the Commission, under such safeguards as the Executive Director may determine to be necessary to preserve and protect the Plan against loss, damage or destruction. Copies of the Comprehensive Plan or any part or parts thereof shall be made available by the Executive Director for public sale at a price covering the cost of production and distribution.

Subpart B—Water Resources Program

§ 401.21 Scope.

This subpart shall govern the submission, consideration and inclusion of projects into the Water Resources Program.

§ 401.22 Concept of the Program.

The Water Resources Program, as defined and described in section 13.2 of the Compact, will be a reasonably detailed amplification of that part of the Comprehensive Plan which the Commission recommends for action within the ensuing six-year period. That part of the Program consisting of a presentation of the water resources needs of the basin will be revised only at such intervals as may be indicated to reflect new findings and conclusions, based upon the Commission's continuing planning programs.

§ 401.23 Procedure.

Each project included in the Water Resources Program shall have been previously included in the Comprehensive Plan, except that a project may be added to both the Plan and the Program by concurrent action of the Commission. The project's sponsor shall furnish the following information prior to the inclusion of the project in the Water Resources Program:

(a) The Comprehensive Plan data brought up-to-date for the period of the Water Resources Program.

(b) Specific location and dimension of a structural project, and specific language of a standard, policy or other non-structural proposal.

(c) The plan of operation of a structural project.

(d) The specific effects of a non-structural project.

Delaware River Basin Commission

§ 401.34

(e) Sufficient data to indicate a workable financial plan under which the project will be carried out.

(f) A timetable for implementation.

§ 401.24 Preparation and adoption.

The Water Resources Program will be prepared and considered by the Commission for adoption annually. Projects required to satisfy the basin needs during the period covered by the Program may be classified as follows:

(a) "A" list. This shall include public projects which require no further review, and inclusion in such list shall be deemed to be approved for the purposes of section 3.8 of the Compact.

(b) "B" list. This shall include public projects not included in the "A" list and privately sponsored projects which are proposed or anticipated by the Commission.

§ 401.25 Alternatives for public projects.

Any public project which has been included in the Comprehensive Plan but is not on the "A" list of the current Water Resources Program, at the option of the sponsor, may be submitted for review and approval under section 3.8 of the Compact in accordance with Subpart C of this part.

§ 401.26 Inventory of other projects.

Each Water Resources Program will include, for information purposes only, an inventory of projects approved during the previous year pursuant to section 3.8 of the Compact but which are not part of the Comprehensive Plan or Water Resources Program.

Subpart C—Project Review Under Section 3.8 of the Compact

SOURCE: 62 FR 64155, Dec. 4, 1997, unless otherwise noted.

§ 401.31 Scope.

This subpart shall govern the submission and review of projects under Section 3.8 of the Delaware River Basin Compact.

§ 401.32 Concept of 3.8.

Section 3.8 is intended to protect and preserve the integrity of the Com-

prehensive Plan. This section of the Compact provides:

"No project having a substantial effect on the water resources of the basin shall hereafter be undertaken by any person, corporation or governmental authority unless it shall have been first submitted to and approved by the Commission, subject to the provisions of Sections 3.3 and 3.5. The Commission shall approve a project whenever it finds and determines that such project would not substantially impair or conflict with the Comprehensive Plan and may modify and approve as modified, or may disapprove any such project whenever it finds and determines that the project would substantially impair or conflict with such Plan. The Commission shall provide by regulation for the procedure of submission, review and consideration of projects, and for its determinations pursuant to this section. Any determination of the Commission hereunder shall be subject to judicial review in any court of competent jurisdiction."

§ 401.33 Administrative agreements.

The Executive Director is authorized and directed to enter into cooperative Administrative Agreements with federal and state regulatory agencies concerned with the review of projects under federal or state law as follows:

(a) To facilitate the submission and review of applications and the determinations required under Section 3.8 of the Compact;

(b) To avoid unnecessary duplication of staff functions and hearings required by law; and

(c) For such other and different purposes as he may deem feasible and advantageous for the administration of the Compact or any other law.

§ 401.34 Submission of project required.

Any project which may have a substantial effect on the water resources of the Basin, except as provided in paragraph (d) of this section, shall be submitted to the Commission for a determination as to whether the project impairs or conflicts with the Comprehensive Plan, as follows:

(a) Where the project is subject to review by a state or federal agency which has entered into an Administrative Agreement with the Commission, such project will be referred to the Commission in accordance with the terms of
