### Subpart A—General

#### §102.1 Definitions.

(a) *Advanced in value.* "Advanced in value" means an increase in the value of a good as a result of production with respect to that good, other than by means of those "minor processing" operations described in paragraphs (m)(5), (m)(6), and (m)(7) of this section.

(b) *Commingled.* "Commingled" means physically combined or mixed.

(c) *Direct physical identification.* "Direct physical identification" means identification by visual or other organoleptic examination.

(d) *Domestic material.* "Domestic material" means a material whose country of origin as determined under these rules is the same country as the country in which the good is produced.

(e) *Foreign material.* "Foreign material" means a material whose country of origin as determined under these rules is not the same country as the country in which the good is produced.

(f) *Fungible goods or fungible materials.* "Fungible goods or fungible materials" means goods or materials that are interchangeable for commercial purposes and whose properties are essentially identical.

(g) *A good wholly obtained or produced.* A good "wholly obtained or produced" in a country means:

(1) A mineral good extracted in that country;

(2) A vegetable or plant good harvested in that country;

(3) A live animal born and raised in that country;

(4) A good obtained from hunting, trapping or fishing in that country;

(5) A good (fish, shellfish and other marine life) taken from the sea by vessels registered or recorded with that country and flying its flag;

(6) A good produced on board factory ships from the goods referred to in paragraph (g)(5) of this section, provided such factory ships are registered
