

§ 158.3 Allowance for lost or missing packages included in an entry summary.

Allowance shall be made in the assessment of duties for lost or missing packages of merchandise included in an entry summary whenever it is established to the satisfaction of the port director before the liquidation of the entry summary becomes final that the merchandise claimed to be lost or missing was not "permitted." A claim for such allowance shall be made on Customs Form 5931, in triplicate, executed by the importer and the importing carrier or bonded carrier, as appropriate. When the importing or bonded carrier refuses to execute the Customs Form 5931, a claim may be allowed if the importer properly executes the Customs Form 5931 and attaches copies of the dock receipt or other document evidencing nonreceipt of the lost or missing packages.

[T.D. 72-258, 37 FR 20171, Sept. 27, 1972, as amended by T.D. 79-221, 44 FR 46829, Aug. 9, 1979]

§ 158.4 Liability of carrier for lost or missing packages.

Upon a joint determination or independent determination of quantity as set forth in § 158.1 (a) or (b) resulting in the merchandise being "permitted," the carrier shall be responsible only for any discrepancy between the manifested quantity and the "permitted" quantity. In the case of an importing carrier, when there is a difference between the quantity shown on the inward foreign manifest and the quantity "permitted," liquidated damages or duties shall be assessed under the provisions of the carrier's bond or under the provisions of section 448, Tariff Act of 1930, as amended (19 U.S.C. 1448), unless the carrier corrects his manifest (see § 4.12 of this chapter). In the case of a bonded carrier, liquidated damages for lost or missing merchandise shall be assessed in accordance with § 18.8 of this chapter.

§ 158.5 Deficiencies in contents of packages—general.

An allowance shall be made in the assessment of duties for deficiencies in the contents of packages when, before

the liquidation of the entry becomes final, the importer files:

(a) In the case of a concealed shortage, a Customs Form 5931, in triplicate, executed by the importer alone, and the port director satisfies himself as to the validity of the claim; or,

(b) In the case of an unconcealed shortage, a Customs Form 5931, in triplicate, executed by both the importer and the importing or bonded carrier, as appropriate.

§ 158.6 Deficiencies in contents of examination packages.

Allowance for deficiency in the contents of any examination package reported to the port director by a Customs officer shall be made in the liquidation of the entry. No Customs officer except one making an examination contemplated by section 499, Tariff Act of 1930, as amended (19 U.S.C. 1499), shall report a supposed deficiency to the port director unless it is established to the satisfaction of the reporting officer that the merchandise was not imported.

(Sec. 499, 46 Stat. 728, as amended; 19 U.S.C. 1499)

§ 158.7 Allowance for reduction or loss of merchandise by a natural force or by leakage.

Merchandise subject to ad valorem, specific, or compound rates of duty found at the time of importation to be reduced or diminished by a natural force, such as evaporation, or by leakage, shall be appraised in its condition as imported, with an allowance made in the value, weight, quantity, or measure to the extent of the reduction or loss, except when forbidden by law or regulation.

(R.S. 251, as amended, sec. 499, sec. 624, 46 Stat. 728, as amended, 759 (19 U.S.C. 66, 1499, 1624))

Subpart B—Damaged or Defective Merchandise

§ 158.11 Merchandise completely worthless at time of importation.

(a) *Nonperishable merchandise.* When a shipment of nonperishable merchandise, or any portion thereof which shall

have been segregated from the remainder of the shipment under Customs supervision at the expense of the importer, is found by the port director to be entirely without commercial value at the time of importation by reason of damage or deterioration, an allowance in duties on such merchandise on the ground of nonimportation shall be made in the liquidation of the entry.

(b) *Perishable merchandise.* In the case of perishable merchandise, an allowance in duties may be made under the following conditions:

(1) An application for such allowance shall be filed with the port director on Customs Form 4315 in duplicate, within 96 hours after the unloading of the merchandise and before any of the shipment involved has been removed from the pier (or other area permitted under §142.2(b)(2) of this chapter) pursuant to the entry permit.

(2) Should an application filed in accordance with paragraph (b)(1) of this section be withdrawn, the merchandise involved shall thereafter be released upon presentation of an appropriate permit.

(3) Allowance in duty shall be made in the liquidation of the entry on such of the merchandise covered by the application as is found by the port director to be entirely without commercial value by reason of damage or deterioration.

(Sec. 506, 46 Stat. 732, as amended; 19 U.S.C. 1506)

[T.D. 72-258, 37 FR 20171, Sept. 27, 1972, as amended by T.D. 76-220, 41 FR 33248, Aug. 9, 1976]

§158.12 Merchandise partially damaged at time of importation.

(a) *Allowance in value.* Merchandise which is subject to ad valorem or compound duties and found by the port director to be partially damaged at the time of importation shall be appraised in its condition as imported, with an allowance made in the value to the extent of the damage. However, no allowance shall be made when forbidden by law or regulation; for example, Chapter 72, Additional U.S. Note 3, Harmonized Tariff Schedule of the United States (19 U.S.C. 1202), provides that no allowance or reduction of duties for partial damage or loss in consequence of discolora-

tion or rust occurring before importation shall be made upon iron or steel or upon any article of iron or steel.

(b) *No allowance in specific duties.* In the case of merchandise subject to specific or compound duties and found to be partially damaged at the time of importation, no allowance may be made in the specific duties or in the weight, quantity, or measure (except that an allowance for any excessive moisture or other impurities may be made in accordance with §158.13). However, any part of the shipment which is totally worthless and can be segregated from the rest of the shipment may be treated as a nonimportation in accordance with §158.11.

(a) *Application by importer.* (1) *Petroleum and petroleum products.* An application for an allowance in duties under section 507, Tariff Act of 1930, as amended (19 U.S.C. 1507), for all detectable moisture and impurities present in or upon imported petroleum or petroleum products shall be made by the importer on Customs Form 4315. The application shall be filed with the port director within 10 days of the port director's receipt of the gauging report or within 10 days of Customs acceptance of the entry's invoice gauge.

(2) *Other products.* An application for an allowance in duties under 19 U.S.C. 1507 for products other than petroleum or petroleum products for excessive moisture or other impurities not usually found in or upon such or similar merchandise shall be made by the importer on Customs Form 4315. The application shall be filed with the port director within 10 days after the report of weight or gauge has been received by the port director or within 10 days after the date upon which the entry or a related document was endorsed to show that invoice weight or gauge has been accepted by the Customs inspector or other Customs officer.
