with the use of facilities of other bonded or nonbonded carriers. For the purposes of this section, the term "common carrier" means a common carrier of merchandise owning or operating a railroad, steamship, pipeline, or other transportation line or route. Only vessels entitled to engage in the coastwise trade (see §4.80 of this chapter) shall be entitled to transport merchandise under this section.

(2) Merchandise to be transported from one port to another in the United States under cover of a TIR carnet (see part 114 of this chapter), except merchandise not otherwise subject to Customs control, as provided in §§18.41 through 18.45, shall be delivered to a common carrier or contract carrier bonded for that purpose, but the merchandise thereafter may be transported with the use of other bonded or nonbonded common or contract carriers. The TIR carnet shall be responsible for liability incurred in the carriage of merchandise under the carnet, and the carrier's bond shall be responsible as provided in §114.22(d) of this chapter.

(3) Merchandise to be transported from one port to another in the United States under cover of an A.T.A. or TECRO/AIT carnet (see part 114 of this chapter) shall be delivered to a common carrier or contract carrier bonded for that purpose, but the merchandise thereafter may be transported with the use of other bonded or nonbonded common or contract carriers.
