

**§ 181.62 Commercial samples of negligible value.**

(a) *General.* Commercial samples of negligible value imported from Canada or Mexico may qualify for duty-free entry under subheading 9811.00.60, HTSUS. For purposes of this section, “commercial samples of negligible value” means commercial samples which have a value, individually or in the aggregate as shipped, of not more than US\$1, or the equivalent amount in the currency of Canada or Mexico, or which are so marked, torn, perforated, or otherwise treated that they are unsuitable for sale or for use except as commercial samples.

(b) *Qualification for duty-free entry.* Commercial samples of negligible value imported from Canada or Mexico will qualify for duty-free entry under subheading 9811.00.60, HTSUS, only if:

(1) The samples are imported solely for the purpose of soliciting orders for foreign goods; and

(2) If valued over US\$1, the samples are properly marked, torn, perforated or otherwise treated prior to arrival in the United States so that they are unsuitable for sale or for use except as commercial samples.

**§ 181.63 [Reserved]****§ 181.64 Goods re-entered after repair or alteration in Canada or Mexico.**

(a) *General.* This section sets forth the rules which apply for purposes of obtaining duty-free or reduced-duty treatment on goods returned after repair or alteration in Canada or Mexico as provided for in subheadings 9802.00.40 and 9802.00.50, HTSUS. Goods returned after having been repaired or altered in Mexico, whether or not pursuant to a warranty, and goods returned after having been repaired or altered in Canada pursuant to a warranty, are eligible for duty-free treatment, provided that the requirements of this section are met. Goods returned after having been repaired or altered in Canada other than pursuant to a warranty are subject to duty upon the value of the repairs or alterations using the applicable duty rate under the United States-Canada Free-Trade Agreement (see § 10.301 of this chapter), provided that the requirements of this section

are met. For purposes of this section, “repairs or alterations” means restoration, addition, renovation, redyeing, cleaning, resterilizing, or other treatment which does not destroy the essential characteristics of, or create a new or commercially different good from, the good exported from the United States.

*Example.* Glass mugs produced in the United States are exported to Canada for etching and tempering operations, after which they are returned to the United States for sale. The foreign operations exceed the scope of an alteration because they are manufacturing processes which create commercially different products with distinct new characteristics.

(b) *Goods not eligible for duty-free or reduced-duty treatment after repair or alteration.* The duty-free or reduced-duty treatment referred to in paragraph (a) of this section shall not apply to goods which, in their condition as exported from the United States to Canada or Mexico, are incomplete for their intended use and for which the processing operation performed in Canada or Mexico constitutes an operation that is performed as a matter of course in the preparation or manufacture of finished goods.

*Example.* Unflanged metal wheel rims are exported to Canada for a flanging operation to strengthen them so as to conform to U.S. Army specifications for wheel rims; although the goods when exported from the United States are dedicated for use in the making of wheel rims, they cannot be used for that purpose until flanged. The flanging operation does not constitute a repair or alteration because that operation is necessary for the completion of the wheel rims.

(c) *Documentation—(1) Declarations required.* Except as otherwise provided in this section, the following declarations shall be filed in connection with the entry of goods which are returned from Canada or Mexico after having been exported for repairs or alterations and which are claimed to be duty free or subject to duty only on the value of the repairs or alterations performed abroad:

(i) A declaration from the person who performed such repairs or alterations, in substantially the following form:

I/We, \_\_\_\_\_, declare that the goods herein specified are the goods which, in the
