

(1) The charge to be made for the reimbursable services of a Customs employee to perform on a holiday or outside the established basic workweek shall be the amount actually payable to the employee for such services under the Federal Employees Pay Act of 1945, as amended (5 U.S.C. 5542(a), 5546), or the Customs overtime laws (19 U.S.C. 267, 1451), or both, as the case may be. When such services are performed by an intermittent when-actually-employed employee, the charge for such services shall be computed at a rate per hour equal to 108 percent of the hourly rate of the regular pay of such employee to provide for reimbursement of the Government's contribution under the Federal Insurance Contributions Act, as amended (25 U.S.C. 3101, *et seq.*), and employee uniform allowance. The time charged shall include any time within the regular working hours of the employee required for travel between the duty assignment and the place where the employee is regularly employed excluding lunch periods, charged in multiples of 1 hour, any fractional part of an hour to be charged as 1 hour when the services are performed during the regularly scheduled tour of duty of the officer or between the hours of 8 a.m. and 5 p.m. on weekdays when the officer has no regularly scheduled tour of duty. In no case shall the charge be less than \$1.

(2) The necessary transportation expenses and any authorized per diem expenses of a Customs employee assigned to perform reimbursable services at a location at which he is not regularly assigned shall be reimbursed by the responsible party.

(3) When a Customs employee is regularly assigned to duty at more than one location, the charge for his compensation and transportation expenses in going from one location to another shall be equitably apportioned among the parties concerned. However, no charge shall be made for transportation expenses when a Customs employee is reporting to as a first assignment, or leaving from as a last assignment, a place where he is regularly assigned to duty.

(4) Upon a failure to pay such charges when due, or to comply with the applicable laws and regulations, the port di-

rector shall report the facts to the Accounting Services—Accounts Receivable, which shall take appropriate action to collect the charges.

(e) The reimbursable charge for customs overtime compensation shall be computed in accordance with §24.16.

(f) *Medicare Compensation Costs.* In addition to other expenses and compensation chargeable to parties-in-interest as set forth in this section, such persons shall also be required to reimburse Customs in the amount of 1.35 percent of the reimbursable compensation expenses incurred. Such payment will reimburse Customs for its share of Medicare costs.

§24.18 Preclearance of air travelers in a foreign country; reimbursable cost.

(a) Preclearance is the tentative examination and inspection of air travelers and their baggage at foreign places where U.S. Customs personnel are stationed for that purpose.

(b) At the request of an airline, travelers on a direct flight to the United States from a foreign place described in paragraph (a) of this section may be precleared prior to departure from such place. A charge based on the excess cost to Customs of providing preclearance services as defined in paragraph (c) of this section shall be made to the airline.

(c) The reimbursable excess cost is the difference between the cost of examining and inspecting air travelers and their baggage upon arrival in the United States assuming no preclearance was provided, and the cost of providing preclearance for air travelers at the place of departure. Such excess cost shall include all items attributable to the preclearance operation. This does not include the salary of personnel regularly assigned to a preclearance station other than approved salary differentials related to the foreign assignment and the salary of relief details made necessary by reason of the nature of the operation. In

addition, such cost shall include the following allowances and expenses:

- (1) Housing allowances;
- (2) Post of duty allowances;
- (3) Education allowances;
- (4) Transportation cost incident to the assignment to the foreign station and return, including transportation of family and household effects;
- (5) Home leave and associated transportation costs; and
- (6) Equipment, supplies and administrative costs including costs of supervising the preclearance installation.

(d) The reimbursable excess cost described in paragraph (c) of this section shall be determined for each preclearance installation. On the basis of the excess cost figure for each installation, the excess cost of providing preclearance service for a biweekly pay period shall be determined. The initial schedule of biweekly excess cost will be based on the actual excess cost for fiscal year 1969. Thereafter, a quarterly (ending with the pay period closely corresponding to June 30, September 30, December 31, and March 31) cost analysis will be conducted and the schedule of biweekly excess costs will be adjusted so that the current biweekly excess cost schedule will reflect the actual excess costs of the previous quarter. Such schedules of biweekly costs for each installation shall be published in the FEDERAL REGISTER. The biweekly excess cost in effect at an installation at the time the charge is made shall be used in calculating the prorated charge for preclearance service for each airline in accordance with paragraph (e) of this section.

(e) The charge to each airline for preclearance service shall be its prorated share of the applicable excess cost prorated to the aircraft receiving such services during the billing period on the following basis:

- (1) Five percent shall be distributed equally among the airlines serviced.
- (2) Ten percent shall be distributed proportionately as the number of clearances serviced bears to the total number of clearances.
- (3) Eighty-five percent shall be distributed proportionately as the number of passengers and/or crew serviced for each airline bears to the total number of passengers and/or crew serviced.

(f) Customs services for which overtime compensation is provided for by section 5 of the Act of February 13, 1911, as amended (19 U.S.C. 267), and the expenses recovered thereunder are governed by §24.16 and are in no way affected by this section. (63 Stat. 290; 31 U.S.C. 483a)
