

than two nationally recognized residential construction cost indices, for publicly bid construction of a good and sound quality. If a recipient determines that published DC&E amounts are not representative of construction costs in its area, it may request a re-evaluation of DC&E amounts and provide HUD with relevant information for this re-evaluation.

Subpart C—Indian Housing Plan (IHP)

§ 1000.201 How are funds made available under NAHASDA?

Every fiscal year HUD will make grants under the IHBG program to recipients who have submitted to HUD for that fiscal year an IHP in accordance with § 1000.220 to carry out affordable housing activities.

§ 1000.202 Who are eligible recipients?

Eligible recipients are Indian tribes, or TDHEs when authorized by one or more Indian tribes.

§ 1000.204 How does an Indian tribe designate itself as recipient of the grant?

- (a) By resolution of the Indian tribe; or
- (b) When such authority has been delegated by an Indian tribe's governing body to a tribal committee(s), by resolution or other written form used by such committee(s) to memorialize the decisions of that body, if applicable.

§ 1000.206 How is a TDHE designated?

- (a)(1) By resolution of the Indian tribe or Indian tribes to be served; or
- (2) When such authority has been delegated by an Indian tribe's governing body to a tribal committee(s), by resolution or other written form used by such committee(s) to memorialize the decisions of that body, if applicable.
- (b) In the absence of a designation by the Indian tribe, the default designation as provided in section 4(21) of NAHASDA shall apply.

§ 1000.208 What happens if an Indian tribe had two IHAs as of September 30, 1996?

Indian tribes which had established and were operating two IHAs as of Sep-

tember 30, 1996, under the 1937 Act shall be allowed to form and operate two TDHEs under NAHASDA. Nothing in this section shall affect the allocation of funds otherwise due to an Indian tribe under the formula.

§ 1000.210 What happens to existing 1937 Act units in those jurisdictions for which Indian tribes do not or cannot submit an IHP?

NAHASDA does not provide the statutory authority for HUD to grant NAHASDA grant funds to an Indian housing authority, Indian tribe or to a default TDHE which cannot obtain a tribal certification, if the requisite IHP is not submitted by an Indian tribe or is determined to be out of compliance by HUD. There may be circumstances where this may happen, and in those cases, other methods of tribal, Federal, or private market support may have to be sought to maintain and operate those 1937 Act units.

§ 1000.212 Is submission of an IHP required?

Yes. An Indian tribe or, with the consent of its Indian tribe(s), the TDHE, must submit an IHP to HUD to receive funding under NAHASDA, except as provided in section 101(b)(2) of NAHASDA. If a TDHE has been designated by more than one Indian tribe, the TDHE can submit a separate IHP for each Indian tribe or it may submit a single IHP based on the requirements of § 1000.220 with the approval of the Indian tribes.

§ 1000.214 What is the deadline for submission of an IHP?

IHPs must be initially sent by the recipient to the Area ONAP no later than July 1. Grant funds cannot be provided until the plan is submitted and determined to be in compliance with section 102 of NAHASDA and funds are available.

§ 1000.216 What happens if the recipient does not submit the IHP to the Area ONAP by July 1?

If the IHP is not initially sent by July 1, the recipient will not be eligible for IHBG funds for that fiscal year. Any funds not obligated because an

§ 1000.218

IHP was not received before the deadline has passed shall be distributed by formula in the following year.

§ 1000.218 Who prepares and submits an IHP?

An Indian tribe, or with the authorization of a Indian tribe, in accordance with section 102(d) of NAHASDA a TDHE may prepare and submit a plan to HUD.

§ 1000.220 What are the minimum requirements for the IHP?

The minimum IHP requirements are set forth in sections 102(b) and 102(c) of NAHASDA. In addition, §§ 1000.56, 1000.108, 1000.120, 1000.134, 1000.142, 1000.238, 1000.328, and 1000.504 require or permit additional items to be set forth in the IHP for HUD determinations required by those sections. Recipients are only required to provide IHPs that contain these minimum elements in a form prescribed by HUD. If a TDHE is submitting a single IHP that covers two or more Indian tribes, the IHP must contain a separate certification in accordance with section 102(d) of NAHASDA and IHP Tables for each Indian tribe when requested by such Indian tribes. However, Indian tribes are encouraged to perform comprehensive housing needs assessments and develop comprehensive IHPs and not limit their planning process to only those housing efforts funded by NAHASDA. An IHP should be locally driven.

§ 1000.222 Are there separate IHP requirements for small Indian tribes and small TDHEs?

No. HUD requirements for IHPs are reasonable.

§ 1000.224 Can any part of the IHP be waived?

Yes. HUD has general authority under section 101(b)(2) of NAHASDA to waive any IHP requirements when an Indian tribe cannot comply with IHP requirements due to circumstances beyond its control. The waiver authority under section 101(b)(2) of NAHASDA provides flexibility to address the needs of every Indian tribe, including small Indian tribes. The waiver may be requested by the Indian tribe or its

24 CFR Ch. IX (4-1-99 Edition)

TDHE (if such authority is delegated by the Indian tribe).

§ 1000.226 Can the certification requirements of section 102(c)(5) of NAHASDA be waived by HUD?

Yes. HUD may waive these certification requirements as provided in section 101(b)(2) of NAHASDA.

§ 1000.228 If HUD changes its IHP format will Indian tribes be involved?

Yes. HUD will first consult with Indian tribes before making any substantial changes to HUD's IHP format.

§ 1000.230 What is the process for HUD review of IHPs and IHP amendments?

HUD will conduct the IHP review in the following manner:

(a) HUD will conduct a limited review of the IHP to ensure that its contents:

- (1) Comply with the requirements of section 102 of NAHASDA which outlines the IHP submission requirements;
- (2) Are consistent with information and data available to HUD;
- (3) Are not prohibited by or inconsistent with any provision of NAHASDA or other applicable law; and
- (4) Include the appropriate certifications.

(b) If the IHP complies with the provisions of paragraphs (a)(1), (a)(2), and (a)(3) of this section, HUD will notify the recipient of IHP compliance within 60 days after receiving the IHP. If HUD fails to notify the recipient, the IHP shall be considered to be in compliance with the requirements of section 102 of NAHASDA and the IHP is approved.

(c) If the submitted IHP does not comply with the provisions of paragraphs (a)(1), and (a)(3) of this section, HUD will notify the recipient of the determination of non-compliance. HUD will provide this notice no later than 60 days after receiving the IHP. This notice will set forth:

- (1) The reasons for noncompliance;
- (2) The modifications necessary for the IHP to meet the submission requirements; and
- (3) The date by which the revised IHP must be submitted.

(d) If the recipient does not submit a revised IHP by the date indicated in the notice provided under paragraph (c)
