

## § 1000.306

### § 1000.306 How can the IHBG formula be modified?

(a) The IHBG formula can be modified upon development of a set of measurable and verifiable data directly related to Indian and Alaska Native housing need. Any data set developed shall be compiled with the consultation and involvement of Indian tribes and examined and/or implemented not later than 5 years from the date of issuance of these regulations and periodically thereafter.

(b) The IHBG Formula shall be reviewed not later than May 21, 2012 to determine if a subsidy is needed to operate and maintain NAHASDA units or if any other changes are needed in respect to funding under the Formula Current Assisted Stock component of the formula.

[63 FR 12349, Mar. 12, 1998, as amended at 72 FR 20024, Apr. 20, 2007; 81 FR 83680, Nov. 22, 2016]

### § 1000.308 Who can make modifications to the IHBG formula?

HUD can make modifications in accordance with § 1000.304 and § 1000.306 provided that any changes proposed by HUD are published and made available for public comment in accordance with applicable law before their implementation.

### § 1000.310 What are the components of the IHBG formula?

The IHBG formula consists of four components:

- (a) Formula Current Assisted Stock (FCAS) (§ 1000.316);
- (b) Need (§ 1000.324);
- (c) 1996 Minimum (§ 1000.340); and
- (d) Undisbursed IHBG funds factor (§ 1000.342).

[81 FR 83680, Nov. 22, 2016]

### § 1000.312 What is current assisted stock?

Current assisted stock consists of housing units owned or operated pursuant to an ACC. This includes all low rent, Mutual Help, and Turnkey III housing units under management as of September 30, 1997, as indicated in the Formula Response Form.

## 24 CFR Ch. IX (4–1–22 Edition)

### § 1000.314 What is formula current assisted stock?

Formula current assisted stock is current assisted stock as described in § 1000.312 plus 1937 Act units in the development pipeline when they become owned or operated by the recipient and are under management as indicated in the Formula Response Form. Formula current assisted stock also includes Section 8 units when their current contract expires and the Indian tribe continues to manage the assistance in a manner similar to the Section 8 program, as reported on the Formula Response Form.

### § 1000.315 Is a recipient required to report changes to the Formula Current Assisted Stock (FCAS) on the Formula Response Form?

(a) A recipient shall report changes to information related to the IHBG formula on the Formula Response Form, including corrections to the number of Formula Current Assisted Stock (FCAS), during the time period required by HUD. This time period shall be not less than 60 days from the date of the HUD letter transmitting the form to the recipient.

(b) The Formula Response Form is the only mechanism that a recipient shall use to report changes to the number of FCAS.

[72 FR 20025, Apr. 20, 2007]

### § 1000.316 How is the Formula Current Assisted Stock (FCAS) Component developed?

The Formula Current Assisted Stock component consists of two elements. They are:

(a) *Operating subsidy*. The operating subsidy consists of three variables which are:

(1) The number of low-rent FCAS units multiplied by the national per unit subsidy;

(2) The number of Section 8 units whose contract has expired but had been under contract on September 30, 1997, multiplied by the FY 1996 national per unit subsidy; and

(3) The number of Mutual Help and Turnkey III FCAS units multiplied by the national per unit subsidy.

(b) *Modernization allocation*. (1) For Indian tribes with an Indian Housing

Authority that owned or operated 250 or more public housing units on October 1, 1997, the modernization allocation equals the number of Low Rent, Mutual Help, and Turnkey III FCAS units multiplied by the national per-unit amount of allocation for FY 1996 modernization multiplied by an adjustment factor for inflation.

(2) For Indian tribes with an Indian Housing Authority that owned or operated fewer than 250 public housing units on October 1, 1997, the modernization allocation equals the average amount of funds received under the assistance program authorized by section 14 of the 1937 Act (not including funds provided as emergency assistance) for FYs 1992 through 1997.

(c) *Conversion.* Conversion of FCAS units from homeownership (Mutual Help or Turnkey III) to low-rent or from low-rent to a home ownership program.

(1) If units were converted before October 1, 1997, as evidenced by an amended ACC, then those units will be counted for formula funding and eligibility purposes as the type of unit to which they were converted.

(2) If units were converted on or after October 1, 1997, the following applies:

(i) *Funding type.* Units that converted after October 1, 1997 will be funded as the type of unit specified on the original ACC in effect on September 30, 1997.

(ii) *Continued FCAS eligibility.* Whether or not it is the first conversion, a unit converted after October 1, 1997, will be considered as the type converted to when determining continuing FCAS eligibility. A unit that is converted to low-rent will be treated as a low-rent unit for purposes of determining continuing FCAS eligibility. A unit that is converted to homeownership will be treated as a homeownership unit for purposes of determining continuing FCAS eligibility.

(3) The Indian tribe, TDHE, or IHA shall report conversions on the Formula Response Form.

[63 FR 12349, Mar. 12, 1998, as amended at 72 FR 20025, Apr. 20, 2007; 81 FR 83680, Nov. 22, 2016]

**§ 1000.317 Who is the recipient for funds for current assisted stock which is owned by state-created Regional Native Housing Authorities in Alaska?**

If housing units developed under the 1937 Act are owned by a state-created Regional Native Housing Authority in Alaska, and are not located on an Indian reservation, then the recipient for funds allocated for the current assisted stock portion of NAHASDA funds for the units is the regional Indian tribe.

**§ 1000.318 When do units under Formula Current Assisted Stock cease to be counted or expire from the inventory used for the formula?**

(a) Mutual Help and Turnkey III units shall no longer be considered Formula Current Assisted Stock when the Indian tribe, TDHE, or IHA no longer has the legal right to own, operate, or maintain the unit, whether such right is lost by conveyance, demolition, or otherwise, provided that:

(1) Conveyance of each Mutual Help or Turnkey III unit occurs as soon as practicable after a unit becomes eligible for conveyance by the terms of the MHOA; and

(2) The Indian tribe, TDHE, or IHA actively enforce strict compliance by the homebuyer with the terms and conditions of the MHOA, including the requirements for full and timely payment.

(b)(1) A Mutual Help or Turnkey III unit not conveyed after the unit becomes eligible for conveyance by the terms of the MHOA may continue to be considered Formula Current Assisted Stock only if a legal impediment prevented conveyance; the legal impediment continues to exist; the tribe, TDHE, or IHA has taken all other steps necessary for conveyance and all that remains for conveyance is a resolution of the legal impediment; and the tribe, TDHE, or IHA made the following reasonable efforts to overcome the impediments:

(i) No later than four months after the unit becomes eligible for conveyance, the tribe, TDHE, or IHA creates a written plan of action, which includes a description of specific legal impediments as well as specific, ongoing, and appropriate actions for each applicable
