§ 1000.30 What prohibitions regarding conflict of interest are applicable?

(a) *Applicability.* In the procurement of supplies, equipment, other property, construction and services by recipients

and subrecipients, the conflict of interest provisions of 2 CFR 200.318 shall apply. In all cases not governed by 2 CFR 200.318, the following provisions of this section shall apply.

(b) *Conflicts prohibited.* No person who participates in the decision-making process or who gains inside information with regard to NAHASDA assisted activities may obtain a personal or financial interest or benefit from such activities, except for the use of NAHASDA funds to pay salaries or other related administrative costs. Such persons include anyone with an interest in any contract, subcontract or agreement or proceeds thereunder, either for themselves or others with whom they have business or immediate family ties. Immediate family ties are determined by the Indian tribe or TDHE in its operating policies.

(c) The conflict of interest provision does not apply in instances where a person who might otherwise be included under the conflict provision is low-income and is selected for assistance in accordance with the recipient's written policies for eligibility, admission and occupancy of families for housing assistance with IHBG funds, provided that there is no conflict of interest under applicable tribal or state law. The recipient must make a public disclosure of the nature of assistance to be provided and the specific basis for the selection of the person. The recipient shall provide the appropriate Area ONAP with a copy of the disclosure before the assistance is provided to the person.

§ 1000.32 May exceptions be made to the conflict of interest provisions?

(a) Yes. HUD may make exceptions to the conflict of interest provisions set forth in § 1000.30(b) on a case-by-case basis when it determines that such an exception would further the primary objective of NAHASDA and the effective and efficient implementation of the recipient's program, activity, or project.

(b) A public disclosure of the conflict must be made and a determination that the exception would not violate tribal laws on conflict of interest (or

any applicable state laws) must also be made.

§ 1000.34 What factors must be considered in making an exception to the conflict of interest provisions?

In determining whether or not to make an exception to the conflict of interest provisions, HUD must consider whether undue hardship will result, either to the recipient or to the person affected, when weighed against the public interest served by avoiding the prohibited conflict.

§ 1000.36 How long must a recipient retain records regarding exceptions made to the conflict of interest provisions?

A recipient must maintain all such records for a period of at least 3 years after an exception is made.
