system or, alternatively, whether the agency plans to use CB funds to purchase and install a data system; and

(5) A description of any other fair housing activities that the agency will undertake with its CB funds. All such activities must address matters affecting fair housing enforcement which are cognizable under the Fair Housing Act. Any activities which do not address the implementation of the agency's fair housing law or ordinance, and which are therefore not cognizable under the Fair Housing Act, will be disapproved.

**§ 115.303 Eligible activities for capacity building funds.**

The primary purposes of capacity building funding is to provide for complaint activities and to support activities that produce increased awareness of fair housing rights and remedies. All such activities must support the agency's administration of its fair housing law or ordinance and address matters affecting fair housing which are cognizable under the Fair Housing Act. HUD will periodically publish a list of eligible activities in the FEDERAL REGISTER.

**§ 115.304 Agencies eligible for contributions funds.**

(a) An agency that has received CB funds for three consecutive years is eligible for contributions funding. Contributions funding consists of three categories:

- (1) Complaint Processing (CP) funds;
- (2) Administrative Costs (AC) funds; and
- (3) Special Enforcement Efforts (SEE) funds (§115.305 sets forth the requirements for SEE funding).

(b) *CP funds.* (1) Agencies receiving CP funds will receive such support based solely on the number of complaints processed by the agency and accepted for payment by the Director of FHEO during a consecutive, specifically identified, 12-month period. Normally this period will be the previous year's funding cycle.

(2) Funding for agencies in their fourth year of participation in the FHAP will be based on the number of complaints acceptably processed by the agency during the agency's third year of participation in the FHAP.

24 CFR Subtitle B, Ch. I (4-1-99 Edition)

(c) *Administrative Cost (AC) funds.* (1) Agencies which acceptably process 100 or more cases will receive no less than 10 percent of the agency's annual FHAP payment amount for the preceding year, in addition to case processing funds, contingent on fiscal year appropriations. Agencies that acceptably process fewer than 100 cases will receive a flat rate contingent on fiscal year appropriations.

(2) Agencies will be required to provide HUD with a statement of how they intend to use the AC funds. HUD may require that some or all AC funding be directed to activities designed to create, modify, or improve local, regional, or national information systems concerning fair housing matters (including the purchase of state of the art computer systems and getting on line or internet access, etc.).

**§ 115.305 Special enforcement effort (SEE) funds.**

(a) SEE funds are funds that HUD will provide to an agency to enhance enforcement activities of the agency's fair housing law or ordinance. SEE funds will be a maximum of 20% of the agency's total FHAP cooperative agreement for the previous contract year, based on approval of eligible activity or activities, and based on the appropriation of funds. All agencies receiving contributions funds are eligible to receive SEE funds if they meet three of the six criteria set out in paragraphs (a)(1) through (6):

(1) The agency has taken action to enforce a subpoena or make use of its prompt judicial action authority within the past year.

(2) The agency has held at least one administrative hearing or has had at least one case on a court's docket for civil proceedings during the past year.

(3) At least ten percent of the agency's fair housing caseload resulted in written conciliation agreements providing monetary relief for the complainant as well as remedial action, monitoring, reporting and public interest relief provisions.

(4) The agency has had in the most recent three years, or is currently handling, at least one major fair housing

systemic investigation requiring an exceptional amount of expenditure of funds.

(5) The agency's administration of its fair housing law or ordinance received meritorious mention for its complaint processing or other fair housing activities that were innovative.

(6) The agency must have fully investigated 10 fair housing complaints during the previous funding year.

(b) Notwithstanding the eligibility criteria set forth in paragraph (a) of this section, an agency is ineligible for SEE funds if:

(1) Twenty percent or more of an agency's fair housing complaints result in administrative closures; or

(2) The agency is currently on a PIP, or if its interim certification or certification has been suspended during the fiscal year in which SEE funds are sought.

(c) SEE funding amounts are subject to the FHAP appropriation by Congress and will be described in writing in the cooperative agreements annually. HUD will periodically publish a list of activities eligible for SEE funding in the FEDERAL REGISTER.

#### **§ 115.306 Training funds.**

(a) All agencies are eligible to receive training funds. Training funds are fixed amounts based on the number of agency employees to be trained and shall be allocated based on the FHAP appropriation. Training funds may be used only for HUD-approved or HUD-sponsored training. Agency initiated training or other formalized training may be included in this category. However, such training must first be approved by the Cooperative Agreement Officer (CAO) and the Government Technical Representative (GTR). Specifics on the amount of training funds that an agency will receive and, if applicable, amounts that may be deducted, will be set out in the cooperative agreement each year.

(b) All staff of the agency responsible for the administration of the fair housing law or ordinance must participate in mandatory FHAP training sponsored by HUD at the national and field office levels. If the agency does not participate in the mandatory national and field office HUD-sponsored training,

training funds will be deducted from their overall training amount.

#### **§ 115.307 Additional requirements for participation in the FHAP.**

(a) Agencies which participate in the FHAP must:

(1) Conform to reporting and record maintenance requirements determined by the Assistant Secretary;

(2) Agree to on-site technical assistance and guidance and implementation of corrective actions set out by the Department in response to deficiencies found during the technical assistance or performance assessment evaluations of the agency's operations;

(3) Agree to implement and adhere to policies and procedures (as their laws and ordinances will allow) provided to the agencies by the Assistant Secretary, including but not limited to guidance on investigative techniques, case file preparation and organization, implementation of data elements for complaint tracking, etc.;

(4) Spend at least twenty (20) percent of its total annual budget on fair housing activities; and

(5) Not unilaterally reduce the level of financial resources currently committed to fair housing complaint processing (budget and staff reductions or other actions outside the control of the agency will not, alone, result in a negative determination for the agency's participation in the FHAP).

(b) The agency's refusal to provide information, assist in implementation, or carry out the requirements of paragraph (a) of this section may result in the denial or interruption of its receipt of FHAP funds.

#### **§ 115.308 Standards for FHAP program review.**

HUD will conduct reviews of the agency's cooperative agreement implementation. This review will also identify:

(a) How the agency used the FHAP funds received;

(b) Whether its draw-down of funds was timely;

(c) Whether the agency has been audited and received copies of the audit reports in accordance with applicable rules and regulations for State and local governmental entities; and
