§ 203.281 Calculation of one-time MIP.

(a) The applicable premium percentage determined under paragraph (b) of this section assumes, for purposes of calculation, that the entire amount of the one-time MIP is added to the loan amount. The amount of the one-time MIP shall be determined by multiplying the loan amount otherwise insurable under this part by the applicable premium percentage, subject to adjustment for the portion of the MIP, if

any, that is not to be included in the insured mortgage.

(b)(1) The Commissioner shall determine the applicable premium percentage in accordance with sound financial and actuarial practice.

(2) Application of the premium percentage determined under paragraph (b)(1) of this section shall not result in a MIP in excess of an amount equivalent to 1 per centum per annum of the amount of the principal obligation of the mortgage outstanding at any time, without taking into account delinquent payments or prepayments.

(c) The applicable premium percentage will be published by notice at least annually in the FEDERAL REGISTER.

§ 203.282 Mortgagee's late charge and interest.

(a) Payment of one-time MIP is late if it is not received by HUD by the fifteenth day after closing. Late payment shall include a late charge of four percent of the amount of the MIP.

(b) If payment of the MIP is not received by HUD within 30 days after closing, the mortgagee will be charged additional late fees until payment is received at an interest rate set in conformity with the Treasury Fiscal Requirements Manual.

§ 203.283 Refund of one-time MIP.

(a) The Commissioner shall provide for the refund to the mortgagor of a portion of the unearned MIP paid pursuant to §203.280 if the contract of insurance covering the mortgage is terminated:

(1) By conveyance to one other than the Commissioner and a claim for the insurance benefits is not presented for payment (§203.315),

(2) By prepayment of the mortgage (§203.316), or

(3) By voluntary agreement with the approval of the Commissioner (§203.317).

(b) The Commissioner shall determine the amount of the premium refund by multiplying the amount the

premium paid at the time the mortgage was insured by the applicable premium refund percentage for mortgages insured in the year the mortgage was endorsed for insurance. The Commissioner shall determine the applicable premium refund percentage for each year in an equitable manner and in accordance with sound financial and actuarial practice, taking into account: (1) Projected salaries and expenses, (2) prospective losses generated by insurance claims, and (3) expected future payments of premium refunds.
