(i) For purposes of paragraph (d)(7) of this section—

(A) The percentage of moderate income families in occupancy as of January 1, 1987 shall include families who were admitted to the project as very low income, low income, or moderate income families but whose incomes had increased beyond the limit for moderate income families by January 1, 1987; and

(B) The proportions established shall not prohibit a higher proportion of very low income families from occupying the housing.

(ii) In approving rents under paragraph (d)(7) of this section, the Commissioner will take into account any additional incentives provided under this part and will make provision for annual rent adjustments necessary as a result of future reasonable increases in operating costs.

(e) In cases where the owner agrees to maintain only a portion of the project as low income housing, the incentives provided under § 248.231 of this part and the standards imposed under this section shall be adjusted accordingly.

(a) When providing rental assistance under section 8, the Commissioner may enter into a contract with an owner, contingent upon the future availability of appropriations for the purpose of renewing expiring contracts for rental assistance as provided in appropriations Acts, to extend the term of such rental assistance for such additional period or periods as is necessary to carry out an approved plan of action.

(b) The contract and the approved plan of action shall provide that, if the Commissioner is unable to develop a revised package of incentives providing benefits to the owner comparable to those received under the original approved plan of action, the Commissioner, upon the request of the owner, shall take the following actions (subject to the limitations under the following paragraphs):

(c) The approved plan of action shall specify actions that the Commissioner and the owner shall take to ensure that any tenants displaced as a result of actions taken under paragraph (b) of this section are relocated to affordable housing.

(d) At least 30 days prior to making a request under the preceding sentence, an owner shall notify the Commissioner of the owner's intention to submit the request. The Commissioner shall have a period of 90 days following receipt of such notice to take action to extend the rental assistance contract

§ 248.241 Modification of existing regulatory agreements.

(a) If a plan of action is not approved within 300 days after initial submission, the Commissioner may, upon request of the owner and upon making a determination that the project's current use does not represent its highest and best use, modify existing regulatory agreements to—

(3) Extend (subject to the availability of funds) any expiring project-based assistance on the housing for the term of the agreement;

(4) Permit an increase in the allowable distribution that could be accommodated by an increase in the rents on occupied units to a level no higher than 30 percent of the adjusted income of the tenants, as determined by the Commissioner, except that rents shall not exceed the fair market rent, and any resulting increase in rents for current tenants shall be phased in equally over a period of no less than 3 years, unless such increase is less than 10 percent; and

(5) Ensure that units becoming vacant during the term of the agreement are made available in accordance with § 248.233(d)(7) of this part.
