

not the issuer qualified for new issuer approval on the basis of FNMA or FHLMC approval;

(3) Have management with adequate experience, and access to adequate facilities to issue or service mortgage-backed securities, as determined by the Association;

(4) Maintain the applicable minimum net worth discussed in paragraph (c) of this section; and

(5) Meet the requirements, conditions, and limitations prescribed by the Association in this part or the applicable MBS Guides.

(b) *Time of eligibility.* The Association shall not commit to guarantee, or guarantee any issue of mortgage-backed securities unless the mortgage lender requesting such commitment or guaranty qualifies as an eligible issuer both at the time of commitment approval and at the time of the issuance of the guaranty.

(c) *Net worth requirements.* Issuers shall maintain at all times a net worth acceptable to the Association of not less than the applicable minimum amount. The applicable minimum amount shall be published in the MBS Guides.

(d) *Disqualification.* A mortgage lender shall not qualify as an eligible issuer at any time in which:

(1) The lending policies of the issuer permit any discrimination based on race, religion, color, national origin, age, or sex of a borrower; or

(2) The issuer is not in compliance with any rules, regulations, or orders issued under title VI of the Civil Rights Act of 1964; Executive Order 11063, Equal Opportunity in Housing, November 20, 1962; Executive Order 11246, Equal Employment Opportunity, issued on September 24, 1965 and amended on October 13, 1967; title VII of the Civil Rights Act of 1968; title VIII of the Civil Rights Act of 1968 as amended by the Fair Housing Amendments Act of 1988; or by the FHA or VA.

(e) *Ethics and standards.* A mortgage lender shall qualify as an eligible issuer only so long as it conducts its business operations in accordance with accepted mortgage banking practices, ethics, and standards, as determined by the Association, and maintains its books and records in accordance with

generally accepted accounting principles.

(f) *Change in control.* Issuers shall notify the Association of any change in issuer control. A change in control occurs whenever a new party obtains significant influence over an issuer, as defined by the Association. In a merger where the surviving party is not the approved issuer and in a consolidation, the surviving party must apply formally for approval as a new issuer prior to the merger or consolidation taking place. In other business combinations, such as a stock sale of an existing issuer, which result in a change in control of issuer, the issuer shall demonstrate that it continues to meet all issuer eligibility requirements prior to the business combination being finalized.

(g) *Cross-Default.* Related issuers, as defined by the Association, shall execute a cross-default agreement, in a form prescribed by the Association, that authorizes the default of one or more related issuers in the event of a default by any one of the related issuers. Issuers may be granted an exemption from this section, provided that they submit a legal opinion, acceptable to the Association, which demonstrates that the execution of a cross-default agreement would be prohibited by the issuer's Federal regulator.

(h) *Failure to comply.* In the event that an issuer subsequently fails to comply with any of the requirements prescribed in this part or the applicable MBS Guide, as determined by the Association, the Association may, among other things, withhold further commitments to guarantee securities until such time as the Association is satisfied that the issuer has resumed business operations in compliance with such requirements.

The securities, if issued in physical form, must specify the dates by which payments are to be made to the holders thereof, and must indicate the accounting period for collections on the pool's mortgages relating to each such payment, and the securities, if issued in physical form, must also specify a date on which the entire principal will have been paid or will be payable.

(b) *Issue amount.* Each issue of guaranteed securities must be in a minimum face amount as specified in the applicable MBS Guide. The total face amount of any issue of securities cannot exceed the aggregate unpaid principal balances of the mortgages in the pool. The Association may provide for issuers to submit packages of mortgages that may be consolidated, with other packages of similar types of mortgages, into multiple issuer pools.

(c) *Face amount of securities.* The face amount of any security cannot be less than \$25,000.

(d) *Transferability.* Securities are transferable, but the share of the proceeds collected on account of the pool of mortgages is payable only to the registered holder of a security according to the policies established by the Association.

(e) Securities issued on or before October 31, 1998, are issued in physical form. On or after November 1, 1998, securities are issued in book entry form, and physical securities are issued only upon the request of the registered holder.
