

**§ 401.472 Rehabilitation funding.**

(a) *Sources of funds.* (1) *Project accounts.* The Restructuring Plan for funding rehabilitation must include funds from the project's residual receipts account, surplus cash account, replacement reserve account and other project accounts, to the extent the PAE determines that those accounts will not be needed for the initial deposit to the reserves.

(2) *Debt restructuring.* The Restructuring Plan may provide for funding of rehabilitation through a new first mortgage in conjunction with a payment of a section 541(b) claim. The payment of claim may be in an amount necessary to facilitate the funding of the rehabilitation, by reducing the existing first mortgage debt to make refinancing proceeds available to fund rehabilitation.

(3) *Section 236(s) rehabilitation grant.* The Restructuring Plan may include a direct grant from HUD under section 236(s) of the NHA to cover a portion of the rehabilitation cost, to the extent that HUD has determined that funding is available for such a grant.

(4) *Section 8 budget authority increase.* The Restructuring Plan may include funding of rehabilitation from budget authority provided to HUD for increases in section 8 contracts, to the extent that HUD has determined that funding from this source is available.

(b) *Statutory restrictions.* Any rehabilitation funded from the sources described in paragraph (a) of this section is subject to the requirements in section 517(b)(7) of MAHRA for an owner contribution. The required owner contribution will be calculated as 20 percent of the total cost of rehabilitation, unless it is determined that a higher percentage is required. The PAE may exempt housing cooperatives from the owner contribution requirement.

(c) *Escrow agent.* The Restructuring Plan must provide for progress payments for rehabilitation, which must be disbursed by an acceptable escrow agent subject to PAE oversight or as otherwise provided by HUD.

[63 FR 48943, Sept. 11, 1998; 63 FR 71374, Dec. 28, 1998]

**§ 401.473 HUD grants for rehabilitation under section 236(s) of NHA.**

HUD will consider a direct grant for rehabilitation under section 236(s) of the NHA only if the owner provides an acceptable work schedule and cost-analysis that is consistent with the owner's evaluation of physical condition under § 401.450, as certified by the PAE. The owner must execute a grant agreement with terms and conditions acceptable to HUD. If the PAE is a State or local government, or an agency or instrumentality of such a government, the PAE and HUD may agree that the PAE will be delegated the responsibility for the administration of any grant made under § 401.473, if HUD has determined that funding for the cost of grant administration is available.

**§ 401.474 Project accounts.**

(a) *Accounts from other projects.* The accounts listed in 401.472(a)(1) may be used for other eligible projects only if:

(1) The projects are included in a Consolidated Restructuring Plan under § 401.401; and

(2) The funds are used for rehabilitation or to reduce a section 541(b) claim paid by HUD under § 401.471.

(b) *Distribution to owner.* The Restructuring Plan may provide for a one-time distribution to the owner, not to exceed 10 percent of the excess funds in project accounts, after completion of the rehabilitation required by the Restructuring Plan.

**§ 401.480 Voluntary sale or transfer of project.**

(a) *May the owner request a Restructuring Plan that includes a sale or transfer of the property?* The owner may request a Restructuring Plan that includes a condition that the property be sold or transferred to a purchaser acceptable to HUD in a reasonable period to consummate the transaction. The failure to consummate a sale or transfer of the property requested under paragraph (a) of this section will neither adversely affect an owner's eligibility for a Restructuring Plan nor exempt the owner from the requirements of § 401.600.

(b) *When must the Restructuring Plan include a sale or transfer of the property?*
