

there is substantial evidence that there has been, or there will be, a failure to meet the performance requirements or criteria described in subpart O of this part. In such case, the conditional grant will be made by means of a grant agreement, executed by HUD, which includes the terms of the condition specifying the reason for the conditional grant, the actions necessary to remove the condition and the deadline for taking those actions. The grantee shall execute and return such an agreement to HUD within 60 days of the date of its transmittal. Failure of the grantee to execute and return the grant agreement within 60 days may be deemed by HUD to constitute rejection of the grant by the grantee and shall be cause for HUD to determine that the funds provided in the grant agreement are available for reallocation in accordance with section 106(c) of the Act. Failure to satisfy the condition may result in a reduction in the grant amount pursuant to § 570.911.

**§ 570.430 Hawaii program operation requirements.**

(a) *Limitation on planning and administrative costs.* For grants made with allocations prior to FY 1995, no more than 20 percent of the sum of the grant plus program income received during the grant period shall be expended for planning and program administrative costs. For grants received from allocations in FY 1995 and thereafter, a grantee will be considered to be in conformance with the requirements of § 570.200(g) if funds obligated for planning and administration during the most recently completed program year do not exceed 20 percent of the sum of the grant made for that program year and the program income received from post FY 1994 grants during that program year.

(b) *Performance and evaluation reports.* Grantees will follow the requirements of § 570.507(a) for entitlement grant recipients for all grants received in FY 1995 and thereafter. Grantees will continue following the requirements of § 570.507(a) for HUD-administered small cities grants for grants received prior

to FY 1995 until those grants are closed out.

(c) *Grant closeouts.* Grants received prior to FY 1995 shall be closed out in accordance with the procedures in § 570.509. Grants received in FY 1995 and thereafter shall not be closed out individually. A grantee's entire program shall be closed upon program completion if a grantee ceases its participation in the Small Cities Program.

(d) *Public Services.* Starting with the FY 1996 grant, grantees may follow the provisions of § 570.201(e)(1) that refer to entitlement grantees, allowing grantees to use 15 percent of the program income received in the previous program year in addition to 15 percent of the grant amount for public services.

(e) *Compliance with the primary objective.* Starting with the FY 1995 grant, grantees may select a time period of one, two or three program years in which to meet the requirement that not less than 70 percent of the aggregate of CDBG fund expenditures be for activities benefitting low- and moderate-income persons. Grants made from allocations prior to FY 1995 will be considered individually for meeting the primary objective, and expenditures for grants from pre-FY 1995 allocations made during and after FY 1995 will not be considered in determining whether the primary objective has been met for post-1994 allocations. If the State of Hawaii decides to administer the Community Development Block Grant Program for nonentitlement units of general local government in Hawaii, the State will be bound by the time period for meeting the primary objective that was chosen by each nonentitlement grantee within the State until those time periods have expired.

(f) *Program amendments for grants received prior to FY 1995.* Grantees must follow the requirements of 24 CFR 91.505 when amending their program with regard to grants received prior to FY 1995. For purposes of this paragraph (f), the term *consolidated plan* as used in 24 CFR 91.505 means an application submitted under the Hawaii program for pre-FY 1995 funds. Also for purposes of this paragraph (f), to comply with the requirements of 24 CFR 91.505, grantees must refer to their current

citizen participation plans (adopted in accordance with 24 CFR 91.505) to determine the criteria for substantial amendment and the citizen participation process to be followed.

**§ 570.431 Citizen participation.**

(a) *General.* An applicant that is located in a nonentitlement area of a State that has not elected to distribute funds shall comply with the citizen participation requirements described in this section, including requirements for the preparation of the proposed application and the final application. The requirements for citizen participation do not restrict the responsibility or authority of the applicant for the development and execution of its community development program.

(b) *Citizen participation plan.* The applicant must develop and follow a detailed citizen participation plan and must make the plan public. The plan must be completed and available before the application for assistance is submitted to HUD, and the applicant must certify that it is following the plan. The plan must set forth the applicant's policies and procedures for:

(1) Giving citizens timely notice of local meetings and reasonable and timely access to local meetings, information, and records relating to the grantee's proposed and actual use of CDBG funds including, but not limited to:

(i) The amount of CDBG funds expected to be made available for the coming year, including the grant and anticipated program income;

(ii) The range of activities that may be undertaken with those funds;

(iii) The estimated amount of those funds proposed to be used for activities that will benefit low- and moderate-income persons;

(iv) The proposed CDBG activities likely to result in displacement and the applicant's plans, consistent with the policies developed under § 570.606(b), for minimizing displacement of persons as a result of its proposed activities; and

(v) The types and levels of assistance the applicant plans to make available

(or to require others to make available) to persons displaced by CDBG-funded activities, even if the applicant expects no displacement to occur;

(2) Providing technical assistance to groups representative of persons of low- and moderate-income that request assistance in developing proposals. The level and type of assistance to be provided is at the discretion of the applicant. The assistance need not include the provision of funds to the groups;

(3) Holding a minimum of two public hearings, for the purpose of obtaining citizens' views and formulating or responding to proposals and questions. Each public hearing must be conducted at a different stage of the CDBG program. Together, the hearings must address community development and housing needs, development of proposed activities and review of program performance. There must be reasonable notice of the hearings and the hearings must be held at times and accessible locations convenient to potential or actual beneficiaries, with reasonable accommodations including material in accessible formats for persons with disabilities. The applicant must specify in its plan how it will meet the requirement for hearings at times and locations convenient to potential or actual beneficiaries;

(4) Meeting the needs of non-English speaking residents in the case of public hearings where a significant number of non-English speaking residents can reasonably be expected to participate;

(5) Responding to citizen complaints and grievances, including the procedures that citizens must follow when submitting complaints and grievances. The applicant's policies and procedures must provide for timely written answers to written complaints and grievances within 15 working days of the receipt of the complaint, where practicable; and

(6) Encouraging citizen participation, particularly by low- and moderate-income persons who reside in slum or blighted areas, and in other areas in which CDBG funds are proposed to be used.
