

training programs (such as those related to the CETA program) or job recruiting services for the pocket's residents, then such proposed activities must be clearly and fully explained. HUD requires applicants to ensure that at least 75 percent of whatever permanent jobs initially result from the project are provided to low- and moderate-income persons and that at least 51 percent of whatever permanent jobs initially result from the project are provided to low- and moderate-income residents from the pocket. HUD encourages applicants to ensure that at least 20 percent of all permanent jobs are filled by persons from the pocket qualified to participate in the CETA program on a continuous basis. HUD requires all applicants to continuously use best efforts to ensure that at least 75 percent of all permanent jobs resulting from any Action Grant-assisted project are provided to low- and moderate-income persons and that at least 51 percent of all permanent jobs resulting from any Action Grant-assisted project are provided to low- and moderate-income residents from the pocket. The application should clearly describe how the applicant intends to meet initial and continuous job requirements. Private participating parties must meet these employment requirements in the aggregate. To enable the private participants to do so, lease agreements executed by a private participating party shall include:

(a) Provisions requiring lessees to follow hiring practices that the private participating party has determined will enable it to meet these requirements in the aggregate; and

(b) Provisions that will enable the private participating party to declare a default under the lease agreement if the lessees do not follow such practices.

## Subpart H [Reserved]

## Subpart I—State Community Development Block Grant Program

SOURCE: 57 FR 53397, Nov. 9, 1992, unless otherwise noted.

### § 570.480 General.

(a) This subpart describes policies and procedures applicable to states that elect to receive Community Development Block Grant funds for distribution to units of general local government in the state's nonentitlement areas under the Housing and Community Development Act of 1974. Other subparts of part 570 are not applicable to the State CDBG Program, except as expressly provided otherwise.

(b) HUD's authority for the waiver of regulations and for the suspension of requirements to address damage in a Presidentially-declared disaster area is described in 24 CFR part 5 and in section 122 of the Act, respectively.

(c) In exercising the Secretary's obligation and responsibility to review a state's performance, the Secretary will give maximum feasible deference to the state's interpretation of the statutory requirements and the requirements of this regulation, provided that these interpretations are not plainly inconsistent with the Act and the Secretary's obligation to enforce compliance with the intent of the Congress as declared in the Act. The Secretary will not determine that a state has failed to carry out its certifications in compliance with requirements of the Act (and this regulation) unless the Secretary finds that procedures and requirements adopted by the state are insufficient to afford reasonable assurance that activities undertaken by units of general local government were not plainly inappropriate to meeting the primary objectives of the Act, this regulation, and

the state's community development objectives.

(d) Administrative action taken by the Secretary that is not explicitly and fully part of this regulation shall only apply to a specific case or issue at a specific time, and shall not be generally applicable to the state-administered CDBG program.

[57 FR 53397, Nov. 9, 1992, as amended at 61 FR 11477, Mar. 20, 1996; 61 FR 54921, Oct. 22, 1996]

**§ 570.481 Definitions.**

(a) Except for terms defined in applicable statutes or this subpart, the Secretary will defer to a state's definitions, provided that these definitions are explicit, reasonable and not plainly inconsistent with the Act. As used in this subpart, the following terms shall have the meaning indicated:

(1) *Act* means title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 *et seq.*).

(2) *CDBG funds* means Community Development Block Grant funds, in the form of grants under this subpart and program income, and loans guaranteed by the state under section 108 of the Act.

(b) [Reserved]

[57 FR 53397, Nov. 9, 1992, as amended at 61 FR 5209, Feb. 9, 1996]

**§ 570.482 Eligible activities.**

(a) *General.* The choice of activities on which block grant funds are expended represents the determination by state and local participants, developed in accordance with the state's program design and procedures, as to which approach or approaches will best serve these interests. The eligible activities are listed at section 105(a) of the Act.

(b) *Special assessments under the CDBG program.* The following policies relate to special assessments under the CDBG program:

(1) *Public improvements initially assisted with CDBG funds.* Where CDBG funds are used to pay all or part of the cost of a public improvement, special assessments may be imposed as follows:

(i) Special assessments to recover the *CDBG funds* may be made only against

properties owned and occupied by persons *not* of low and moderate income. These assessments constitute program income.

(ii) Special assessments to recover the *non-CDBG* portion may be made, provided that CDBG funds are used to pay the special assessment in behalf of all properties owned and occupied by low and moderate income persons; except that CDBG funds need not be used to pay the special assessments in behalf of properties owned and occupied by moderate income persons if, when permitted by the state, the unit of general local government certifies that it does not have sufficient CDBG funds to pay the assessments in behalf of all of the low and moderate income owner-occupant persons. Funds collected through such special assessments are not program income.

(2) *Public improvements not initially assisted with CDBG funds.* CDBG funds may be used to pay special assessments levied against property when this form of assessment is used to recover the capital cost of eligible public improvements initially financed solely from sources other than CDBG funds. The payment of special assessments with CDBG funds constitutes CDBG assistance to the public improvement. Therefore, CDBG funds may be used to pay special assessments, provided that:

(i) The installation of the public improvements was carried out in compliance with requirements applicable to activities assisted under this subpart, including labor, environmental and citizen participation requirements;

(ii) The installation of the public improvement meets a criterion for national objectives. (See § 570.483(b)(1), (c), and (d).)

(iii) The requirements of § 570.482(b)(1)(ii) are met.

(c) *Provision of assistance for micro-enterprise development.* Microenterprise development activities eligible under section 105(a)(23) of the Housing and Community Development Act of 1974 (the Act), as amended, (42 U.S.C. 5301 *et seq.*) may be carried out either through the recipient directly or through public and private organizations, agencies, and other subrecipients (including non-profit and for-profit subrecipients).
